NO. 145-SEVENTY-SECOND YEAR

VICTORIA, BRITISH COLUMBIA, THURSDAY, MAY 29, 1930

TWENTY-TWO PAGES

One of Biggest Counterfeiting Hauls Is Made

Secret Service Men Catch Three Persons Inky-Handed Over Gleaming Plates of Money-Making Machine—Million Dollars in Spurious Notes and Paper Enough to Print \$4,000,000 More

Sheet Upon Sheet of Wet Currency Located

(Associated Press)
NEW YORK, May 28.—A million dollars in spurious notes, a lithographing press and paper enough to print \$4,000,000 more in bogus currency were taken today by secret service men in the biggest counterfeiting haul made in New York in years. They were brought to the Customs House, and with them were brought Perciles Mannerlin, Giuseppe di Negri and Matteo Maltara—caught inky-handed the agents said, over the gleaming plates of a money-making machine in the upper floor of a Brooklyn apartment house.

The three counterfeiters hadn't even taken the precaution to pull the blinds on the windows behind which they worked and for days secret service agents had watched their operations from a room across the street.

SLEDGE-HAMMER BLOWS
A few minutes after midnight, as the three men congregated about the great press which filled one side of a wall, Special Agent Fiori, of the service staff, led his men across the street, up the stairs and through doors that yielded quickly to sledge-hammer blows.

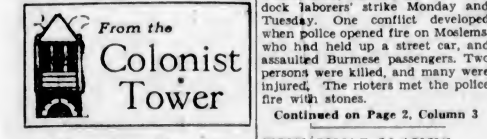

The three men within gave up quietly and declined to talk, even after their arrest, but the Federal squad said it knew all it needed to know about them.

THE GUIDING HAND
Mannerlin, according to Mr. Allen G. Straight, secret service chief in New York, was the guiding hand of the counterfeiting ring. Di Negri was its distributor of false gold notes, and Maltara, the engraver, who fashioned plates so cleverly that the money was studied with a jeweler's eyeglass to bring out its variance from genuine currency.

Sheet upon sheet of still wet currency was in the room the agents raided—sheets which each contained \$500 in counterfeit \$50, \$20 and \$1 gold notes, and the bearing Madison's portrait, the twenties Grant's and tens Andrew Jackson's.

DELIVERY OF NOTES
The notes were to have been delivered, Mr. Straight said, to "dealers" who would buy them at fifteen cents on the dollar and sell them to "distributors," who would pay twenty-five cents on the dollar; and "distributors" would get them to "passers," who would buy the money at forty cents on the dollar and put it into circulation at face value.

Evidence against Mannerlin, Di Negri, known also as "Joe Ross," and Maltara, "the doctor," will be presented tomorrow to a grand jury. The first two have been arrested before for counterfeiting, but not convicted.

THE WEATHER

Victoria and Vicinity—Light to moderate winds, partly cloudy with showers.
Sun Rises: 4:19 o'clock.
Sun Sets: 8:02 o'clock.
High Tide: 1:15 a.m., 9.8 ft.
Low Tide: 9:59 a.m., 0.1 ft.

The News

Local and Provincial—
Hon. H. A. Beckwith elected head of Music Festival.
Hon. Joshua Hinchliffe, Minister of Education, defends fiscal policy of British Columbia's Conservative Government, in answer to criticism of Mr. T. D. Pattullo, Liberal leader.

Dominion, Imperial and Foreign—
Labor Government wins again in British House of Commons. Conservative motion to reduce salary of Rt. Hon. J. H. Thomas is defeated by vote of 270 to 241. One of biggest counterfeiting hauls ever made occurs in New York when Secret Service men catch three persons inky-handed over plates of money-making machine. Large paraphernalia seized.

Disturbance is sporadic through India. Salt raiding continues. New flare-ups at Rangoon, the Burmese capital.

New Zealand cabinet reconstructed, with Hon. G. W. Forbes as Prime Minister; Sir Joseph Ward retained as Minister Without Portfolio.

Problem of milk supplies for Soviet cities is now acute. Shortage assumes graver proportions as days pass.

Sports
Cyril Tolley deflected as British amateur champion at nineteenth hole by Bobby Jones. Ten thousand spectators swarm Sir Andrews links to watch match. Strong British contingent left to battle five surviving Americans.

Japanese riggers all set for tour of Canada. Team will leave Orient in August.

Cubs nose out Boston in National League. Rain plays havoc with major league ball.

Australians score heavily in match against Oxford University. Twenty-three horses probable starters in Epsom Derby.

Strong Uplands team will visit Point Grey for annual interclub match Sunday.

Dirigible Crosses Equator Off Amazon Mouth

NEW YORK, May 28.—The Mackay Radio Corporation received a message tonight saying the Graf Zeppelin, bound from Pernambuco to Havana, crossed the equator at 11 a.m. Thursday, Greenwich time (1 p.m. Wednesday, Eastern standard time). Her position was given as 40 degrees West longitude, 1200 miles east of the mouth of the Amazon River.

CONVENTIONS WILL ASSUME CHIEF TOPIC

Political Parties Are Already Well Advanced on Island for Forthcoming Election

SEVERAL CANDIDATES HAVE BEEN NAMED

The announcement that the Dominion House is about to rise has had the effect of throwing fresh interest into the question of the coming election. It is now accepted that the campaign will be in full progress in Canada within a month. There is no concealment of the fact on both sides that the fight is to be a hotly-contested one, with no assurance that victory will come easily to either of the parties.

SITUATION HERE
In Victoria the Conservatives are prepared for the announcement of the election, having made selection of the various ward delegates for the nominating convention, whenever that is announced. This will be delayed, it is anticipated, until the return of the sitting member, Mr. D. B. Plunkett, from the capital, which will follow as soon as the House prorogues.

The Liberals have in turn adopted a new constitution for the nominating convention, taking up the plan which has for some time been followed by the Conservatives of naming delegates from the different wards to make choice of a standard bearer, instead of calling a mass meeting of the supporters to make the choice.

GOVERNMENT'S FISCAL POLICY IS DEFENDED

VANCOUVER, May 28.—Presenting an imposing series of statistics, Hon. Joshua Hinchliffe, B.C. Minister of Education, made a spirited reply to recent criticism of the Government's fiscal policy by Mr. T. D. Pattullo, leader of the Opposition. He was speaking at a meeting of District VIII Conservative Association in the Elks' Hall here tonight.

Mr. Pattullo charged the present Government with extravagance, in increasing both provincial expenditure and provincial taxation, Mr. Hinchliffe said.

He based his defence of the present Government's fiscal policy upon the fact that the budget of 1927-28 was the last of the Liberal government before the present administration came into office. This budget, Mr. Hinchliffe charged, actually omitted more than \$4,000,000 of estimated expenditures, which should have been included.

As presented, this last Liberal budget had totaled approximately \$20,000,000. After a year in office the Conservative Government had presented a budget of approximately \$25,000,000, for which, Mr. Hinchliffe said, it had been severely criticized by Mr. Pattullo.

NOT ALL EXPENDITURES
The last Liberal budget, he continued, did not contain all the expenditures, however. Various ap-

Intercity Passenger Express Runs Into Open Switch

FLINT, Mich., May 28.—The Montreal-Chicago Intercity Limited, passenger train, on the Grand Trunk Railway, ran into an open switch at Belair, east of here this afternoon, while traveling slowly to sixty-five miles an hour. The engineer and fireman were killed and five injured. No passengers were hurt seriously.

The dead are Engineer Arthur Morden and Fireman Clyde Pierce, both of Battle Creek.

The train ran into the open switch after a freight engine had passed. Engineer Morden is believed to have seen the switch and thrown his emergency brakes, leaving from the cab. He was caught in the wreckage of the locomotive, and Pierce was crushed between the locomotive and the tender. Eight cars and the locomotive left the tracks. Witnesses said the huge locomotive appeared to leap into the air as it struck the switch, then toppled over, pulling the cars with it. There were eleven cars on the train.

Figures in Indian Crisis

ABOVE are four of the principal figures in the present Indian situation. They are as follows: Mrs. Sarojini Naidu, who stepped into Mahatma Gandhi's shoes as leader of the independence campaign against the British when Gandhi was arrested. Lord Irwin, Viceroy of India, who has the complete confidence of the British Government, and Captain Wedgwood Benn, British Secretary of State for India, upon whom falls a great deal of the responsibility of clearing up the present situation in India.

Great Crowd Sees Zeppelin Depart From Pernambuco

By LAURA CROUSE DUNSTON
Passenger on the Graf Zeppelin.
(Copyright, 1930, by the North American Newspaper Alliance.)

A BOARD THE GRAF ROUTE TO HAVANA, May 28.—The Graf Zeppelin, bound for Havana and Lakehurst, N.J., left the ground at Pernambuco at 11:13 o'clock this morning (9:13, E.S.T.), and we are now heading north by west. We cross the equator again just before dinner tonight. We are a little shy of gas, but we do not think it will make much difference. We took on one extra laminated propeller blade before we started and a great deal of mail. The mail is unusually heavy on this trip north.

The day has been very hot and there were intermittent showers accompanied by variable winds in the early morning. The showers delayed us several hours and we were not sure of our start until the weather began to clear at about 10 o'clock. All the nineteen passengers, including three women, came aboard about 9:30 and spent the next half hour discussing the probable time of our start.

PLANES HOVER ABOVE
There was a great crowd to see us off, several airplanes hovered noisily above and indulged in stunts before we got underway. At last, Dr. Eckener ordered the famous salute to Pernambuco and the ship started on her way north.

NEW FACES IN MINISTRY OF NEW ZEALAND

Reconstruction of Cabinet Takes Place, With Hon. G. W. Forbes as Premier of Dominion

(Canadian Press Cable via Reuters)
WELLINGTON, N.Z., May 28.—Hon. G. W. Forbes, Minister of Lands and Agriculture in the Cabinet of Sir Joseph Ward, who has resigned the Premiership, has been called upon by Lord Bledisloe, the Governor-General, to reconstruct the Cabinet.

Mr. Forbes will be Prime Minister, Minister of Finance, Minister of External Affairs and Minister of Customs, as was Sir Joseph Ward. Hon. E. A. Ransom is promoted from the portfolio of Public Works and Roadways to that of Lands and Forests. Sir A. T. Ngata remains Minister of Native Affairs. Hon. W. B. Taverne, Minister of Education, and Hon. W. A. Vetch, moves from Labor to Railways.

OTHER MINISTERS
The rest of the Cabinet are as follows: Attorney-General and Leader of the Legislative Council, Hon. T. K. Sidney.

Minister of Internal Affairs, Hon. P. A. de la Perelle.
Minister of Defence and Justice, Hon. G. Cobbe.

Postmaster-General and Minister of Marine, Hon. B. Donald.
Minister of Health, Hon. A. Stailwood.

Minister of Education, Hon. H. J. Ashmore.
Minister of Labor, Hon. S. G. Smith.
Minister of Agriculture, Hon. Alfred Murdoch.

Sir Joseph Ward is retained in the Cabinet as a minister without portfolio, and as his health improves the ministry hopes to have the benefit of his advice. The underlying policy of the new Cabinet, says Premier Forbes, is strict financial economy.

HON. N. S. LOUGHEED VISITS REVELSTOCK

REVELSTOCK, B.C., May 28.—Meeting of local party heads and going into road matters with District Engineer O. P. Roberts. Hon. N. S. Lougheed, spent three hours here today before proceeding by car to Vancouver with Hon. R. W. Bruhn to look over road requirements in Mr. Bruhn's riding.

Airplane Crashes; Miss Amy Johnson Escapes Uninjured

BRISBANE, Australia, May 28.—The airplane of Miss Amy Johnson, British aviator, in which she had flown from Croydon, England, to this continent, crashed today as she was coming here from Charleville. Miss Johnson was unhurt and has arrived here safely.

B.C. WILL GET ANNUAL GRANT OF \$738,816

Hon. C. A. Dunning Tells of Subsidies Which Dominion Gov't Will Pay to Several Provinces

FOLLOW TRANSFER OF NATURAL RESOURCES

(Canadian Press)
OTTAWA, May 28.—Further information that the amount of money paid by the Dominion Government to the provinces was given to the House of Commons today by Hon. C. A. Dunning, Minister of Finance. He paid to questions from Mr. F. G. Sanderson (Liberal, Perth South). It sets out the amounts which will be paid to the Western Provinces by way of subsidies after the agreement with the Prairie Provinces for the transfer of the natural resources and the agreement with British Columbia for the transfer of the railway belt and the Peace River block shall have come into effect. One payment will vary according as the population of the provinces increases.

British Columbia on its present population will receive an annual grant of \$738,816.66. This per capita grant will increase as the population increases. The grant for population reaches \$800,000 this will increase from \$190,000 to \$220,000 when the population exceeds 800,000 and to \$240,000 when the population exceeds 1,000,000.

On the basis of its present population Manitoba will receive \$1,062,084.18 annually. When the population reaches 800,000 this will have increased to \$799,184.18 and when the population reaches 1,200,000 there will have been a further increase of \$2,686,816.18. In the intervening years the total payment will vary according to the population.

The subsidy to Alberta at present will be \$1,670,435. When the population reaches 800,000 it will be \$2,015,375 and when it reaches 1,200,000 it will be \$2,710,275. The annual subsidy to Saskatchewan on the basis of the present population of 859,900 will be \$2,063,295. When the population reaches 1,200,000 the subsidy will have increased to \$2,710,275.

Conservatives Increase Vote At Nottingham

NOTTINGHAM, Eng., May 28.—The Conservative party, by a greatly increased plurality, today retained its hold on the Central Division of Nottingham at a by-election necessitated by retirement of A. J. Bennett.

The Conservative, T. J. O'Connor, was elected by 14,846 votes against the Labor candidate, A. C. Waterson, who received 7,293 votes, and the Liberal candidate, R. C. Berkeley, who received 4,648 votes. The election was fought largely on the Government's decision to drop the safeguarding duties, which brought considerable opposition in this local-making election.

The Conservative plurality at the previous election was 2,998.

JURIST SUPPORTS DEATH SENTENCE

LONDON, May 28.—Judge Marcus Kaye, of Chicago, told a special committee on capital punishment at the House of Commons today that he favored the death sentence, although there were certain circumstances where it was not advisable.

"Every time the death sentence is carried out, the murder rate goes up," he said. "And every time there is an execution the murder rate goes down."

Riverman Will Use Barrel To Shoot Niagara Falls

NIAGARA FALLS, Ont., May 28.—Mr. William "Red" Hill, veteran riverman, has announced final plans for his trip through the lower rapids inside a barrel, to be performed on Friday. He will be assisted in his dangerous stunt by his fourteen-year-old son, William "Red" Hill, Jr. "Red" will start his barrel from below the upper bridge at 1:15 p.m., the top of the barrel will remain open and "Red" will paddle through the rapids as far as the lower bridge. After closing the barrel, he will remain inside until it has passed through the rapids and whirlpool as far as Queenstown, where his son will take him from the barrel into a boat.

When he has reached the centre of the dangerous whirlpool, "Red" says, he will open the barrel and try to catch a fish.

LABOR GOVERNMENT SURVIVES SECOND TRIAL OF STRENGTH

Conservative Motion to Reduce Salary of Rt. Hon. J. H. Thomas, Minister of Employment, Is Defeated by 270 to 241 Votes in British House of Commons—Liberals Abstain From Voting

Administration Is Blamed for Swelling Ranks of Workless

By GEORGE HAMBLETON
Canadian Press Staff Correspondent.

LONDON, May 28.—The Labor Government has won again. Tonight it survived its second trial of strength this week, securing a majority on the question of unemployment greater even than the Laborites had predicted. When the Conservative motion to reduce the salary of the Rt. Hon. J. H. Thomas, Minister of Employment, went to division, it was defeated by 270 to 241 votes.

The Liberals, as they had planned, abstained from the voting. The left wing Laborites voted, in the main, with the Government. With them it was not a matter of conviction, for they have been consistently attacking the Government's handling of the unemployment problem, but party loyalty proved superior to private feelings. When the time came to "go over the top" the Clyde-side groups preferred their own lobby to trotting at the heels of the Conservatives.

Hon. R. B. Bennett Will Make Tour of Province of Quebec
MONTREAL, May 28.—Hon. R. B. Bennett, leader of the Conservative party in Canada, will make a tour of Quebec and address political rallies at several points during the Federal election campaign, it is stated at local headquarters of the Conservative organization here.

MR. BECKWITH CHOSEN HEAD OF FESTIVAL

Acting President Is Elected to Chair by Victoria Musical Festival Association

PROGRESS OF YEAR PRAISED

Members of the Victoria Music Festival, to the number of one hundred and forty, assembled in annual meeting at the City Hall last evening, unanimously elected Mr. H. A. Beckwith as president of the association for 1930-31.

Since the death of Mr. George F. Watson, Mr. Beckwith had been acting-president of the association, officiating at the recent successful festival, and was the logical choice for the office.

In his report, prior to the election of officers, the acting-president stated that "many compliments have been paid to the association for the success of our 1930 festival, and I feel that this success must be very largely attributed to the efficient and faithful way in which various directors who were entrusted with heavy responsibilities carried out their share of the work. I should also like to mention the valuable spade work done by some of our members in Seattle and Vancouver, whom probably the heaviest burden fell, we are greatly indebted to a large number of volunteer workers, who gave freely of their time and services. We are also very much indebted to the donors of the festival, and these recipients are limited to children under fifteen years, workers in certain dangerous trades as well as the sick, the aged, the blind, the deaf, the lame, the feeble-minded, the orphaned, the widowed, the destitute, the sick persons and expectant mothers. The last two classes are required to present doctors' prescriptions before milk is allowed them. Of 10,000,000 milk consumers, 75 per cent are children.

SHORTAGE KEENLY FELT
The bulk of city folk get no milk at all, but most of them are already injured to this deprivation.

Continued on Page 3, Column 6

Sir John Simon Will Resume His Practice at Bar

(Canadian Press Cable)
LONDON, May 28.—It has been announced that Right Hon. Sir John Simon will resume practice at the bar after the Whitsuntide holidays. This follows closely on the announcement that the official report on Indian statutory reform, in which Sir John has been engaged for some months, will be published in two parts—the historical part on June 10, and the recommendations on June 24.

Sir John will be one of the party of distinguished judges and lawyers sailing from Liverpool for Canada, August 5 to attend the annual meeting of the Canadian Bar Association in Toronto on August 15, and the annual meeting of the American Bar Association at Chicago, Ill., August 22 to 24.

"LAST POST" IS SOUNDED

Flight-Sergt. R. W. Pike,
 Who Was Killed at Ot-
 tawa, Accorded Full
 Military Honors

BODY IS SHIPPED WEST FOR BURIAL

OTTAWA, Ont., May 28.—"Last Post" was sounded and musketry rattled with the "Present arms" of a firing party as a train pulled out of Union Station today, bearing the remains of Flight-Sergeant Robert W. Pike to Vancouver. The body of the young flyer, killed in an airplane crash here Tuesday, will find a last resting place in his native city in British Columbia. Members of the Royal Canadian Air Force headquarters staff and the Ottawa air station, to which Sergeant Pike was attached, accompanied the full military honors this morning as the body was borne from a funeral chapel to the station. A brief funeral service was conducted at the undertaking establish- ment by Major the Rev. H. I. Horsey. An Air Force trailer and tender carried the casket, draped with the Union Jack, to the train. Officers, N.C.O.'s and other ranks who went to make up the impressive cortege were in full service dress. Sergeant Pike, twenty-one years of age, met his death in the crash- ing of a new plane he was flying from Montreal to the Rockcliffe Aerodrome here.

DISTURBANCE IS SPORADIC THROUGH INDIA

Continued from Page 1
 The Bombay Congress has decided to send a party of thirty-seven volunteers to Sholapur to defy the reign of the martial law, which prohibits display of the Indian Nationalist flag. Several arrests already have been made at Sholapur under this regulation.

FIGHT ABOUT DOG

Bombay resumed its normal aspect today, with police and troops alert to prevent a recurrence of the Moslem disorders in Ebnedhazaar yesterday, where the fighting developed over a dog and resulted in four deaths and fifty-six injuries. The Government officials con- firmed reports that a dog caused the trouble, asserting that a police sergeant, who found a Moslem beating a dog, struck the man. The Moslem sought out friends, and ad- vanced to police headquarters, where the fighting took place.

At Dacca, where fights between Hindus and Moslems caused the deaths of fourteen and injuries to forty-six, numbers of residents have fled on account of the disorders, and there is a food shortage be- cause shops are remaining closed. While the recent riots have been principally between dock strikers and Moslems and police, thus not being connected directly with the civil disobedience movement, the salt campaign of the Nationalists is continuing.

SALT RAIDING
 Police arrested 114 volunteers to- day at Dharasana, where numer- ous salt raids last week caused the arrest and conviction of Mr. Sarojini Naidu. Twenty-four of them had been arrested at Dugari station yesterday, but were released and then returned to the Campat Uni- tade, whence the forays against the Dharasana salt works are launched. Nahari Parek, one of the leaders of the Dharasana volunteers, was sentenced to one year's rigorous im- prisonment today, while Ambalapati and Dr. Tribhuvandas were given six months' rigorous imprisonment.

DISSOLUTION POSSIBLE

(Canadian Press Cable via Reuters)
CANBERRA, Australia, May 28.—By a vote of 22 to 7, the Senate of the Australian Commonwealth to- day rejected the Labor Govern- ment's proposals to amend the con- stitution, which to be decided means a referendum. The Government in- stigated recently if the Senate ob- structed the Government's business, it would probably request dissolution of Parliament to be followed a general election and referendum simultaneously.

Labor Government Survives Second Trial of Strength

Continued from Page 1
 Sir Oswald spoke for an hour and a quarter and his words were warmly cheered by the left wing of Labor.

"INJUDICIOUS MIXTURE"

The Rt. Hon. David Lloyd George, who looked every inch the veteran Parliamentarian that he is as he brushed back his locks to address the Government benches, described the Mosley proposal as a most in- judicious mixture of Karl Marx and Butler. The Liberal leader took particular exception to the pensions scheme. He was glad to hear that the Prime Minister was taking the whole problem under his own wing. The Liberals, said Mr. Lloyd George, fully shared the disappoint- ment of some of Mr. MacDonald's own supporters at the Government's failure to take more energetic ac- tion. He challenged the Prime Minister to say when the Liberals had refused to support the Govern- ment on a constructive unemploy- ment proposal. Mr. Lloyd George suggested a body analogous to the Commission of Imperial Defence

Recovery of Gems Linked To Sensational Mystery

(By a Staff Correspondent)
 (Copyright, 1928, by the North American Newspaper Alliance)

NEW YORK, May 28.—A room full of jewels in police headquarters here, diamonds, sapphires, emeralds, \$1,500,000 worth, glittering and sparkling on four long tables, is being combed by detectives tonight for a two-karat diamond ring with a scratched green and white gold band.

The ring was torn from the finger of Preston R. Austin, a wealthy rancher, of Victoria, Texas, last September as he was shot to death in a Hot Springs, Ark., hotel by a thief, who wore white duck trousers. Today police found a pair of white trousers and a handkerchief both stained with what appeared to be

In Grave Condition

SAN QUENTIN PRISON, Cal., May 28.—Refusing to submit to an autopsy, a condemned murderer, Stewart Northcott, condemned Win- ville "chicken farm" murderer, was reported today in a grave condition in the prison hospital. His tem- perature was said to be subnormal. "Fear of the knife is responsible for his refusal to allow us to operate," Dr. L. L. Stanley, prison physician, explained, adding that "Northcott is a physical coward." The condemned youth's mother, herself imprisoned for life for the same slayings, visited him yesterday and pleaded with him to submit to an operation.

GOVERNMENT'S FISCAL POLICY IS DEFENDED

Continued from Page 1

portions from liquor profits, municipalities, mothers' pensions, hospitals, were shown with only a nominal vote of \$10 for each item. Actually under these heads, during the year covered by the 1927-28 budget, municipalities received \$1,100,000; mothers' pensions, \$694,957; and hospitals, \$526,000, he asserted. A number of other expenditures were not provided for at all in the budget, he charged. Among these were deficits from agricultural credit, \$90,000; refunds on fuel oil tax, \$43,000; municipal taxes on crown lands returned to the nation, \$89,000. In addition, he quoted an under-estimate of old age pension payments of \$176,000. Altogether, Mr. Hinchliffe stated, there was a total expenditure of \$4,363,088 not provided in the last Liberal budget.

"But," he declared, "the 1929-30 Conservative budget provided for all expenditures. And if you add this \$4,000,000 omitted from the last Liberal budget you will see there is very little between the two budgets. They compare: 1927-29, \$25,244,600; 1929-30, \$25,280,000."

REFERS TO DEFICIT

The increase in the 1930-31 budget from \$25,000,000 to \$28,000,000, Mr. Hinchliffe laid to a deficit of \$8,000,000 left by the previous Govern- ment which had to be provided for. Added to this, he said, was the nat- ural increase in Government admin- istration services which would have to be met by any government of any party, amounting to more than \$1,000,000.

There were three major factors contributing to this deficit, Mr. Hinchliffe charged. They were the Lands Settlement Board, the Sumas land scheme and the Oliver land scheme.

OLD CHURCH THREATENED

Believed to be the oldest church in the world, the tiny parish build- ing of Grensted, England, faces de- struction by the death watch beetle. The damage already is great, and restoration work is to be started soon. "Continuous worship has gone on in my church longer than in any other in the country," said Rev. Ralph William Doyl, the pastor. The walls are of split oak, hewn from the virgin forest twelve cen- turies or more ago. They stand as firm today as they did then, but what the wars of man and the elements have failed to do, the death- watch beetle is beginning to ac- complish. According to tradition, the body of Edmund, King of East Anglia, who was killed by the Danes, was placed in the church on the journey from London to Bury St. Edmunds, to escape the pursuing enemy.

Landlady: "How did you sleep, Mr. Jones?"
 New Boarder: "That's what I want to know."

When Your Stomach Groans With Gas

When Sourness, Pain and Bloating Follow Every Meal
MAKE THIS SIMPLE TEST
 If you really want stomach comfort, avoid certain irritating foods, such as: usual annoyance of after-dinner distress, make this simple NEVER FAILING TEST today!

At trifling cost, get from the nearest drug store a small quantity of Burdock Blood Bitters. It is a pleasant, refreshing tonic, that can be depended upon to prove its value in less than five minutes. In most cases relief comes instantly.

Minerals is a good old-fashioned recipe that has been straighten- ing out disordered stomachs for many years. Nothing has ever been found for soothing, cleansing and sweet- ening the stomach and neutralizing the dangerous stomach acids that cause dyspepsia and indigestion. If you have never tried it, you do not know what stomach comfort means. (Adv.)

blood in the baggage of George Cole, one of the four men arrested with Mrs. Hilda Carter Monday afternoon at the Hotel Commodore. In one of the most sensational gen- erals of recent years.

The stained trousers was not the only clue police had to exercise their wisdom over. There was the matter of two code books found in the room in the Commodore where the raid was staged. Police experts have been unable to decipher the code and the assistance of the Fed- eral Government has been asked.

MR. BECKWITH CHOSEN HEAD OF FESTIVAL

Continued from Page 1
 debited to the press for its valuable co-operation.

AN IMPORTANT STEP

"This year an important step in the festival movement was taken, when all of the festivals in British Columbia united to form a British Columbia Federation of Musical Festivals for the purpose of bringing about greater co-operation between various festivals. A representative of the Victoria festival has attended each of the executive meetings of the federation, and valuable in- formation has resulted. It is likely that we shall be asked to have a representative at the conference of the Western Provincial Festivals, which takes place in Edmonton, and I feel that it is desirable that we should be so represented, as there is a proposal to enlarge the scope of the Western festival movement so as to include festivals such as ours, and so as to make it possible for us to take advantage of the services of the English adjudicators who come through each year. In regard to the latter proposal, there are many serious points to be considered, and I feel that it is de- sirable that a representative of our association should attend the con- ference rather than that any ar- rangements should be attempted by correspondence. This will be a mat- ter which will require the attention of the incoming board immediately."

Concluding the report, Mr. Beck- with paid a tribute to the late presi- dent. He had been associated with him, he said, from the beginning of the festival movement in Victoria, and thoroughly realized how impor- tant he had filled the position he had occupied. For himself, whatever shortcomings he might possess, in enthusiasm for the welfare of the festival he was second to none.

Mrs. C. E. Hebdon, acting-rec- ording secretary, in place of Mr. E. J. Brown-Cave, reported thirty meet- ings of the directors with an av- erage attendance of twelve members, while the subcommittees and the festival week committee held many meetings.

NEW CLASSES ADDED

Twenty-five new classes had been added to the competitions for 1930, making a total of ninety-nine classes. In all, over 700 entries had participated, as against 645 in 1929, with increased participation from outside centres.

A token of esteem and appreciation of the late president of the festival committee had been provided in the form of a cup, which was to be competed for annually, and known as the George F. Watson Cup.

The advertising competition among school children in grades 7, 8 and 9 had been keen, and the results very gratifying.

The recording secretary, Miss Eva J. Dunn, reported that 1,200 letters had been sent out. All choral soci- eties and choirs had been written to for assistance. Letters had been mailed to all the churches in Vic- toria two weeks prior to the festival, asking for pulpit announcements. Among the letters were many of ap- preciation to patrons, thanks for the donations and grants. In this con- nection, Mr. Bucklin, United States Consul, had been of great assistance in sending away personal letters, calling attention to Victoria's fes- tival, while Mr. J. G. Brown, chair- man of the welcome committee, had sent out some 150 letters.

COUNCIL MEETS IN CONFERENCE

TERMS OF RACING CONCESSION ARE DISCUSSED WITH
PRESIDENT FOX

Clause Relating to Betting Machines
Continues Chief Obstacle to
Agreement

By invitation of the city's special committee, Mr. Percy Fox, representing the Colwood Park Association, was present at a special meeting of the city council called yesterday afternoon to discuss the terms of the proposed agreement, under which the racing association is to construct a grandstand at the Willows Park and to receive exclusive racing privileges there for ten additional years.

Mr. Fox related the difficulties the racing association had met with in dealing with the owners of the Australian betting machines hitherto in use. His association could not agree absolutely to use betting machines, because that would put them at a great disadvantage in dealing with the Australian community. Another difficulty had been that the machines had not been approved by the Dominion authorities and there were several others made, but he did not think any of them would prove satisfactory.

PUBLIC INVITED TO INSPECTION

Canadian Scottish Will Welcome
Col. Bruce, His Honor Having
Visited the Royal Scots

The Canadian Scottish Regiment will be inspected tonight at 8 o'clock in the Royal Athletic Park by Brigadier-General J. J. Brown, C.M.G., D.S.O., District Officer Commanding M.D. 11. This is the first time that a general's inspection has been held in the open in Victoria for many years. The inspection will afford an excellent opportunity for the public to witness the ceremony, which will consist of general's salute, march on to the column, close column and column of route. The pipe and brass band of the regiment will be in attendance, and company drill will be carried out by Major F. J. Stephenson and Major J. R. Kingham, with their officers, platoon drill by Lieutenant R. D. Harvey and Lieutenant W. H. Parker.

On the return to the Drill Hall the honorary colonel, Hon. R. Bruce, will present a royal warrant to Regimental Sergeant-Major W. J. Lindsay, and will address the battalion. After this part of the ceremony is completed, a demonstration of Vickers gun work, Lewis gun work, stretcher bearer and signaling will take place. The general public invited to both portions of the ceremony.

Colonel Bruce, the honorary colonel of the regiment, has just returned from Great Britain, where he has met on several occasions the allied unit of the Canadian Scottish, the Royal Scots, the Royal Regiment. He presented a letter of introduction to the Royal Scots on behalf of the Province of British Columbia as an appreciation of the affiliation, and extended the invitation to the Canadian Scottish Regiment to Her Royal Highness Princess Mary, who is now Colonel-in-Chief of the Canadian Scottish, on the occasion of her birthday on April 26. The attendance of His Honor at this year's inspection is one that will be greatly appreciated by all ranks of the regiment.

SENTENCED FOR STREET ASSAULT

James Ross and Albert Pellett to
Pay \$50 Fines or Go to Jail for
One Month

Convicted of assaulting Rev. Leong Mui Fong, James Ross and Albert Pellett were each fined \$50 with the alternative of one month's imprisonment, by Magistrate George Jay in the city police court yesterday. Mr. P. J. Walls appeared for Ross. Pellett had been convicted the previous day.

Evidence that Ross had struck Rev. Leong Mui Fong was given by the Chinese minister himself and by Mr. A. McKinnon. Evidence for the defence, which the magistrate commented upon as impressing him very unfavorably, was given by Pellett and Ross.

Both Pellett and Ross, in the witness stand, testified that Ross had not struck the Chinese minister. The day before, when Pellett was on trial, both had stated in the witness box that Ross had struck him and was the only one who had.

Asked by City Prosecutor C. L. Harrison if he had deliberately lied to the magistrate, Ross replied that he had.

Mr. Walls addressed the court, asking for leniency on the ground that the young men had been intoxicated and that Ross was under the influence of Pellett.

The magistrate, in giving sentence, commented severely on the cowardly nature of the assault, and referred also to the character of the evidence given by the accused when in the witness box.

DRIVERS FINED

Frank Wheldon, driver of an automobile which hit the side of an Equumal street car on May 23, was held by Magistrate George Jay to have been driving to the common danger and was fined \$15 in the city police court yesterday.

Rose Elves, Constable Hamster told the court, was driving on Yates Street, May 24, at about forty-five miles an hour, through heavy traffic. Elves was found guilty of driving to the common danger and was fined \$50.

Vocal and Piano Medalists

Who with Billie Davis was a winner in both vocal and piano contests in the recent Kootenay festival.

Mr. Percy Fox, representing the Colwood Park Association, was present at a special meeting of the city council called yesterday afternoon to discuss the terms of the proposed agreement, under which the racing association is to construct a grandstand at the Willows Park and to receive exclusive racing privileges there for ten additional years.

Mr. Fox related the difficulties the racing association had met with in dealing with the owners of the Australian betting machines hitherto in use. His association could not agree absolutely to use betting machines, because that would put them at a great disadvantage in dealing with the Australian community. Another difficulty had been that the machines had not been approved by the Dominion authorities and there were several others made, but he did not think any of them would prove satisfactory.

CONVENTIONS WILL ASSUME CHIEF TOPIC

Continued from Page 1

In the Kootenay riding, where Mr. C. H. Dickie, the Conservative member, was elected by a majority of about 5,000 at the last election, the situation is one that does not prompt any suspicion that there will be much change in the forthcoming contest. Mr. Dickie is exceedingly popular. He is nominated for the seat, and will be opposed by Mr. C. H. O'Halloran, as Liberal candidate, the same opponent who contested the seat with him the last time.

There is announced to be a third candidate in the field in the person of Mr. Thomas Wason, who is running as a Soldier-Labor representative.

COMOX-ALBERNI
In the third seat on Vancouver Island, Comox-Alberni, Mr. Thomas Graham, the Conservative nominee, is steadily covering the whole territory embraced within this tremendous district. The reports received from him are to the effect that his reception is the best, and he is well satisfied with the results. The party has every hope of winning the seat.

Mr. A. W. Neil, Independent, the present member for the riding, is returning to the Coast, and has summoned his friends to meet in Courtenay (June 4), when the situation will be discussed and the nomination of Mr. Neil secured.

ON MAINLAND
On the Mainland there is a general feeling that Hon. J. H. King, the present member for East Kootenay, may not be a contestant in this election. He is believed to be heading for the Senate, or for some other post which will remove him from the turn of elections. With Dr. King out of the way, the question of naming one who will represent British Columbia in the Liberal Cabinet, should the present Government succeed at the polls, is being canvassed.

Mr. J. W. de B. Farria, K.C., has been announced to act as the leader of the Liberals in the province federally, but it is doubtful if he would relinquish the practice which he has for the doubtful chances of winning an election. Mr. D. Donaghy, a former member of the House of Commons, is also spoken of. Of late the name of Ian Mackenzie, member for North Vancouver in the Legislature, has been spoken of to take over this position of leader of the party as far as Dominion affairs are concerned.

There have been suggestions that Mr. T. D. Pattullo, leader of the Liberal party in the Legislature, might be induced to transfer to the Dominion field. It would appear unlikely that such a course will be taken by him.

BITTER FIGHT EXPECTED

In Vancouver, as usual, there will be a bitter fight waged. It is now settled that Hon. H. H. Stevens will again contest the Centre riding, and with a reputation as one of the best campaigners in the country his friends have no fear with respect to the result. Mr. Stevens will take charge of the campaign for the Conservative party in the Province of British Columbia, and with the ability as a speaker which he possesses, there is no question as to the vigor with which the fight will be waged.

In Vancouver South Mr. Leon Lader is expected to again be the nominee. There is a Vancouver seat that of Burrard, to find a new candidate in the place of General J. A. Clark, who is dropping out of politics to take up financial work. This is the dearth of aspirants for the place.

General A. D. McRae has been nominated for the riding of North Vancouver, but with the organization of the whole Dominion under his charge it is unlikely that he will be able to give much time to his own district. His work as an organizer is well known and it is certain that nothing will be left until

Included are plain colors and printed effects, including the new polka-dot silks so popular this season. Your Summer wardrobe should have one or more of these smart little suits this season.

Protection Against Importation of Grape Juice Is Furnished

OTTAWA, May 28.—Following conferences with the grape producers, Hon. C. A. Dunning, Minister of Finance, introduced an amendment to the budget resolutions in the House of Commons yesterday to provide protection against the importation of concentrated grape juice.

The amendment, which was passed, introduces an alternative item in the tariff which may be brought into force by order in council. Under one item, No. 1528, grape juice in containers larger than one gallon capacity is dutiable at 17 1/2 per cent under the British preference and 22 1/2 per cent under the general and intermediate tariffs. The alternative item, No. 152c, makes grape juice in containers larger than one gallon conforming to a certain chemical test, dutiable at 3 cents per gallon under all tariffs.

SOVIET CITIES MENACED BY MILK FAMINE

Continued from Page 1

For a long time past the milk shortage has been keenly felt, but now it is to be worse, for reasons which Pravda, Communist organ, analyzes as follows:

First, because the Kulaks or richer peasants have killed most of their cows, and their propaganda tended to discourage milk production by other peasants.

Second, the cause of the milk shortage in the cities lies in the increased supplies allowed collectively farmed farms, where the numbers and needs have expanded. All members of collectivized farms are entitled to 1 1/2 liters, or about a quart and a half, daily, which is three times the milk allowance. In other words, while the collectivized farms get more milk, the cities get less.

DAIRY EXPORTS

This explanation by Pravda neglects to mention Soviet Russia's enormous export of dairy products, which always have been among the leading sources of revenue. For its industrial expansion, the Government needs the profits from dairy exports.

BUSINESS MEN ARE ARRESTED

EDMONTON, Alta., May 28.—Sensational developments in the mysterious case of the tarring and feathering of Fred Doberstein, Lacombe blacksmith, last week, came yesterday when Ole Boode and C. Rowe, prominent business men of Red Deer and Lacombe, were placed under arrest.

The men were charged by Sergeant J. Holmes, of the Alberta provincial police, with being members of the party of five masked men who lured Doberstein from his home in Lacombe last Wednesday and, after taking him to a lonely spot near Blackfalds, Alberta, mistreated him.

Both men appeared before Magistrate H. G. Scott in Red Deer yesterday, reserving their pleas, and asked for bail. They were granted their liberty upon placing bonds of \$5,000 each, and will appear for preliminary hearing of the charges against them in Lacombe May 31.

Two Are Killed in
Automobile Mishap
FLORENCE, Italy, May 28.—Miss Helen Gee, twenty-two, a United States girl, whose home is in Denver, Colo., and Miss Ruth Henderson, thirty-two, a Canadian nurse, were killed today in an automobile accident near Ronta, forty-eight miles from here. The automobile in which the two were traveling collided with another automobile, left the road and plunged 250 feet down a ravine. The car was loaded with suitcases, which showed that they were touring Italy.

POLITICAL PROMISES

During the Federal election campaign, as is becoming a permanent custom, the political air will be redolent of promises of the benefits to ensue if the present Government is sustained in power. Political promises are like the proverbial pie crust. It is because of the habit that persists in dangling baits before the electorate that public faith in the rectitude of elected representatives is on the wane.

In 1926, in the course of an election, Mr. Mackenzie King promised salary increases to the members of the Federal Civil Service. These, by inference, were to be contingent on his return to power. In 1927 Civil Servants, in receipt of a salary of less than \$5,100 a year were granted an increase of \$120 a year, or \$10 a month. Included in the beneficiaries were many technical men. Obviously, Mr. King did not consider that enough had been done, as in 1928 his Government referred the question of salary revision to the Civil Service Commission. That Commission recommended increases. Parliament pressed for action. The Government's reply was to appoint the Beatty Commission.

The Beatty Commission made recommendations for substantially better recognition of those with technical knowledge and in technical employment under the Federal Government. Its report has been before Parliament. Nothing has been done. In the drawing up of the Estimates the Finance Department ignored the findings of the Commission. The Ottawa Journal says that the Government was so busy "devising a trick Budget to get back into office that it had no time to bother with the salaries of those who carry on the public service; was so busy violating its tariff pledges, it wasn't worrying much about violating its Civil Service pledges—and the Beatty report was ignored. Now, at the eleventh hour, when its fraudulent Budget is being exposed, and things are looking black on the horizon, it is out with more promises for the Civil Service. Out with more promises to get votes.

In the matter of salary increases the proof of the pudding is in the eating. The benefits that have fallen to the lot of the Civil Servants during the past four years of Liberal rule can be easily measured. They are small enough to require the minimum of computation. The point is that no politicians, whatever their faith, should make promises which they are not prepared to perform. Since, in the case of the Civil Servants, Mr. Mackenzie King has had the power to fulfil what he promised, and yet translated his undertakings only in a picaresque way, doubt must invest his intentions in any promises he now makes. The very fact that the recommendations of the Beatty Commission have been ignored, and that they have been available for several months, illustrates the attitude of the Federal Government towards its employees, many of whom are distinctly underpaid. The lowest paid of all are asking for a minimum of \$100 a month; surely a modest enough request in view of the constantly increasing cost of living.

SOVIET PROPAGANDA

Bolshevik machinations through the means of propaganda seem to have redoubled during recent months. They lie at the root of much of the trouble in India. They are now concentrated more than ever against British rule everywhere. There is no indication in any direction that the terms of the diplomatic arrangement in this particular between Britain and Soviet Russia are being observed. Mr. Henderson, the Foreign Secretary, has informed the House of Commons that serious consideration is being given to these matters. He says some conversations are to take place with the Russian Government, presumably to see if some new method may be devised to insure that the Soviet Power can be held to its obligations.

From the beginning it was obvious that any undertaking with Russia would only be observed if it suited Russia's purpose. When official relations were resumed between Britain and the Soviet the latter undertook to suspend propaganda in British countries and to refrain from any act designed to undermine a British power. Apparently the Russians have regarded this undertaking as a scrap of paper. In having truck and trade with Russia, Britain's Labor Government sowed the wind and is now reaping the whirlwind in India. The friends of Soviet Russia are no doubt glad of what is happening but the British people know where the responsibility rests and will appreciate what to do when the time comes.

ELECTION IN NEW BRUNSWICK

New Brunswick is to have a provincial election on June 19, the same date as the electorate of Alberta will render a decision. Thus one provincial election will not influence another, but both will be held while a Federal election campaign is in progress. The next few months will witness remarkable political activity in the Dominion, of a more intensified character than perhaps ever before in our history. Three Governments will be appealing for renewed mandates, one controlled by Liberals, one by Conservatives and the third by the United Farmers.

Mr. J. B. M. Baxter's Government in New Brunswick has been in power for a little less than five years. He has thirty-seven followers in the Legislature; while the Liberals have eleven. In the previous Legislature, which the Liberals controlled, there had been seven United Farmers. The latter party was wiped out when Mr. Baxter and his following were returned to power.

One of the achievements of the Baxter Government has been the restoration of New Brunswick to a second financial and economic position. There is now a Budget surplus, whereas there had been a substantial deficit under the Liberal administration of Mr. P. J. Veniot. Agri-

culture and land settlement have benefited under the Conservatives. The liquor problem has been dealt with in a courageous way and public health and education have received more attention than ever in the past. New Brunswick has also obtained a new lease of life because of the results accruing from the recognition forced by the fight for Maritime Rights.

There is a strong belief that Mr. Baxter will be sustained in power, and that, as well, New Brunswick will endorse Conservative policies in the forthcoming Federal election. In any case, Mr. Baxter goes to the country with the assurance that he has labored well and truly in the interests of his province and brought it a measure of relief from many of the political ills to which it had been subjected. The provincial administration is now engaged on a definitely constructive policy. Where such is being pursued an electorate is not in the habit of changing its political faith.

UNDERMINING PROSPERITY

Death Duties, that tax which impairs capital values and acts as a handicap on the thrift of any nation, have been attacked recently in the British Parliament. There is a growing drift of public opinion in Britain in favor of their abolition on the grounds that they are socialistic and are definitely hampering industrial development. One member of Parliament in Britain says that many people regard the tax as a capital levy and the most vicious in the financial system. It takes away from the capital of the country every year and uses what is taken as income. This is felt severely at a time when capital is so badly needed. The effect of the tax in Britain has been to break up landed properties. Agriculture has therefore suffered, less land is in cultivation and heavy taxation is compelling business people to turn their concerns into limited liability companies, which is good neither for the country nor for employees.

The trend of the argument advanced by opponents of Death Duties is that the Government in imposing these is ignoring the hard facts of the situation. Their imposition is making it more difficult to cure the problem of unemployment. In ten years Britain has received £211,000,000 more in estate duty than it has put into sinking fund and the money represents capital "taken out of the fruitifying pockets of the merchants and traders and squandered by various Governments." In other words, Death Duties and the increases made in them from time to time take capital and use it for income, thus postponing the day when prosperity will return. Any Government which persists in this form of tax is steadily undermining its own position because unrest is a growing factor all the time through the incidence and effects of Death Duties.

TELL-TALE ECHOES

How can a man "see" with his eyes shut? This is the line of inquiry opened up by Sir Richard Paget in an article which appears in the current issue of The New Beacon, a magazine published by the National Institute for the Blind; and it is apparently a subject that can provide a good deal of entertainment to sighted investigators.

After having invited his readers to shut their eyes and imagine life if they could never see again, Sir Richard draws their attention to the sounds which reach them when traveling on the top of an open bus. When passing a L.E.C. road, he points out, the bus makes comparatively little noise, but when the turning is made the noise is heard, each wall and window and doorway contributing its particular echo. After having mastered this simple test, the traveler can, by careful listening, note that echoes are of different qualities, and he may even learn to distinguish those of lamp-posts, tree trunks, and other objects.

In the course of his investigations, Sir Richard found that, when motoring, he could with his eyes shut identify the shapes of many things merely by their sound as the car passed. The round post, for example, gave a gradually increasing and diminishing echo, whereas the square post gave a sudden sharp tap at the moment when the car came opposite to the flat surface of the post. He also found that the tone of an echo varied according to the size of the surface which produced it. "A sound of a given wave-length," Sir Richard states, "will only be reflected by a surface which is large compared with the length of the wave. If the wave is of too great length, it will envelop the surface, and also of its size and shape, and in the case of stairs and railings—even of the distance between their surfaces."

Note and Comment

By R. R. D.

Love thy neighbor, with love far-brought
From out the storied past, and used
Within the present, but transferred
Thine future time by power of thought.

But pamper not a hasty time,
Nor feed with crude imaginations
The herd, wild hearts and feeble wings
That every sophist can line.

—Tennyson

We are all prone to error, as the sparks fly upward. We have made a mistake (as our critic, Mr. Hill, pointed out, when he wrote so hopefully about the prospects of the old under dog in the battle of life), when we expressed a somewhat doleful opinion of the general conditions in the modern world. But in one or two matters we apparently have been quite right. When all the rest of the commentators were commenting enthusiastically on the naval disarmament conference and complimenting Mr. Ramsay MacDonald upon being the author and finisher of that conference, we said that in the long run the individual and the nation which attended strictly to their own business and refrained from interfering in the business of others were pursuing the safest course and were least likely to be disturbers of peace and promoters of discord.

The naval disarmament conference has not resulted in disarmament in any country save one. It has resulted in increased naval armament in at least two countries, and it probably will result in increased armament in another country. Italy and France are arming against each other, and the United States is talking about not only building more warships under the provisions of the disarmament conference, but about continuing to build until she has unchallenged dominion of the seas. Of course the Congress of the United States may discuss building more ships a long time before it authorizes the building of them; but the business of shipbuilding is proceeding rapidly in Italy and France.

Nor does the mischief wrought by the naval disarmament conference end with what Italy and France are doing and with what the United States is talking about doing. The worst of the mischief wrought is that it has created distrust and ill-feeling amongst all the nations which had representatives at the conference.

The League of Nations conference of the United States delegates, upon a programme of shipbuilding many things will be said in both the Senate and the House of Representatives about the disadvantages of the conference to the United States and the advantages of the conference to Great Britain. The big Navy men and newspapers of the United States are already trying the tail of the lion in knots and pointing out that the diplomats of the United States were made fools of by the more adept and adroit diplomats of Great Britain. The relations of the two English-speaking nations were more cordial than they were before the conference met and adopted its naval disarmament programme. Today the people of the United States are being told that not only were their representatives signed when they adopted and signed the agreement. They are also being told that a trap has been laid for the purpose of inveigling their country into the League of Nations and involving them in the mess of disastrous Europe.

The conditions were altogether different previous to the meeting of the naval disarmament conference, its discussions and the passing of its resolutions. The Kellogg Peace Pact had been adopted, and all the nations had expressed by their signatures to do that pact and other parts of their condemnation of all wars of aggression and had provided measures for dealing with such wars. But that was not sufficient for the dreamers of vain dreams. They called a conference for the limitation of naval armaments, and the results of that conference are before us. Every nation concerned is putting its own interpretation on the decisions of the conference, and the fat is in the fire. And every nation will arm or disarm in accordance with what appears to be its best interests. In other words, every nation will attend to its own business and will resent any other nation attempting to meddle with its business.

In another matter we believe our judgment was sound. We said a mistake was made when the law fixing the limit of speed for motor cars was repealed. At the same time when British Columbia repealed the speed limit law she was simply doing what had been done in Great Britain and in most of the States of the American Republic. Britain has found out that she made a mistake. Statistics of mortality prove that in Great Britain since the year when the armistice was signed more people have been

killed upon the highways of the country than were killed in action during the Great War. The mortality in the United States has been but for speed is quite as great in Canada as it is in any other country. We are supposed to be slow and methodical people in Victoria, but that supposition does not apply to our motor-car drivers. It does not even apply to drivers of mature years who would appear to have arrived at the span of life when the ordinary purposes of physical existence should be accomplished any more than it applies to youths who seem to be afflicted with a mania to rush to some other place, although they have nothing of any particular consequence to themselves or the world to do when they get there. The freedom of the motor car driver has degenerated into license. It has developed a species of road bully, sometimes squatted on a big truck, or in a powerful car, who assumes that whatever may happen he has the right of way. And we shall be told again that there is no relation between the rate of speed and the rate of mortality upon the highways; and any effort to restore the speed limit will be resisted.

LIBERALS WILL CONVENE FRIDAY

Gathering Will Be Held at Kamloops—Mr. T. D. Pattullo Is Expected to Be Chosen Leader

The convention of the Liberal party of the province, which is to be held in Kamloops on Friday and Saturday, for the selection of a leader, will be attended by some three or four hundred delegates, it is announced. Mr. T. D. Pattullo, the leader of the party in the House of Commons, is expected to be the general choice, and it is anticipated that he will be selected, perhaps unanimously.

On Friday evening, in company with Mr. H. G. Perry, of Prince George, Mr. Pattullo will address a public meeting in the Masonic Hall, which is the convention place. Mr. Perry, who was formerly member of the Legislature for Port George riding, is the nominee of the Liberal party for the forthcoming election for the House of Commons. He will contest Cariboo riding.

League of Nations BRANCH TO MEET

Election of Officers Will Be Made Tomorrow—Col. T. A. Hiam to Be Speaker

The League of Nations Branch of the City of Victoria will hold its annual meeting on Friday evening next, May 30, at 8:15 p.m., in the Memorial Hall.

This branch is reported as one of the largest, if not the largest in the province. It has a membership of over eight hundred paid-up members and all the work in connection with the branch is done voluntarily. There are no paid officials of any kind, not even a typist.

In addition to the annual reports of the activities during the past year a special address will be given by Colonel T. A. Hiam, of the Canadian National Railways, who is coming to Victoria especially for this meeting. Because of his wide experience in the League of Nations, he is being welcomed as a well-known speaker.

After serving with the Canadian Buffs, he was transferred to the Engineers. When the League of Nations was formed and Geneva became its headquarters, Colonel Hiam was attached as transport officer to the League. This was a post which called for special expert knowledge.

Since returning from Geneva, Colonel Hiam has become assistant to the president of the Canadian National Railways and as such makes his headquarters in Vancouver.

He is already known as a speaker and has on various occasions advocated the cause of the League of Nations on the public platform. The general public is cordially invited to this meeting.

VICE-PRESIDENT WILL ATTEND

MR. A. T. GOWARD TO BE PRES-
ENT AT PUBLIC MEETING AT
PORT ALBERNI TONIGHT

Is to Be Held on Eve of Submission
of Amending Franchise to
Ratepayers

Mr. A. T. Goward, vice-president of the B.C. Electric Railway, went to Qualicum Beach yesterday to see the new generating station there, and will proceed to Port Alberni this evening to attend the public meeting called in that city in relation to the light-franchise by-law, which is being voted upon in that city tomorrow.

This by-law will modify and extend the clauses of the agreement between the city and the National Utilities Corporation, whose franchise the British Columbia Electric recently acquired.

The company has recently circulated the ratepayers of Port Alberni on the subject, setting out how the change will affect the light and power situation in the city and any effort to restore the speed limit will be resisted.

1. The best assurance of adequate power at reasonable rates to large industrial consumers.

2. The district will benefit by a number of reductions in electrical rates and conditions, as well as benefiting by better street lighting.

3. That under agreement with Port Alberni Council, the following important concessions will become effective immediately:

(a) The minimum charge covering residential and commercial consumers will be reduced from \$1.25 to \$1 per month.

(b) The second step in the present commercial lighting rate will be eliminated.

(c) Twenty-five 200-watt lamps will be installed in place of 100-watt lamps, at locations to be designated by your council, without extra charge.

(d) At any time so desired, the company will, at its own expense, build a power line to the present city rock quarry, and supply power at rates satisfactory to your council.

(e) When power is available from the proposed Campbell River power development to the citizens of Port Alberni and district—and in any event not later than five years from the date of passing of the by-law—the ten cent per kilowatt hour, covering both domestic and commercial scheduled rates, will be reduced to nine cents per kilowatt hour.

(f) It shall be agreed that the cost of the transmission line lying in Port Alberni with the proposed main high tension Campbell River power line, including maintenance of same, shall not be made the basis of any application for increased rates before the Provincial Water Board.

PAY TRIBUTE TO FORMER MAYOR

Gathering Is Held at Revelstoke to Mark Public Services of Late Hector Francis McKinnon

Hundreds of citizens of Revelstoke paid homage on Wednesday to the memory of Hector Francis McKinnon, Mayor of Revelstoke for ten years and the first president of the Revelstoke Parks Board.

Mr. T. J. Wadman, president of the parks board, presided, and opened the ceremony by calling on the Rev. W. S. Beames for prayer, which was followed by a few words from Mayor S. Needham.

Mr. F. W. Westaway, secretary of the board, read telegrams of regret from Mr. C. A. Cotterell, general superintendent, Canadian Pacific Railway, Vancouver; Mr. J. J. Horn, local superintendent, attending the Rotary convention at Spokane; and City Clerk Jackson, of Kamloops.

Dr. W. H. Sutherland, M.P.P., referred to the honor accorded him in being able to officiate at the unveiling of a memorial to one of his dearest friends.

While unveiling the beautiful tribute to the memory of an outstanding citizen, the doctor stated that the late Mayor McKinnon had been a good citizen and was deserving of the memorial erected to his memory.

Dr. Sutherland pulled the cord, unveiling a memorial, while Piper Hunter played a lament. Members of the family of the late mayor placed a wreath on the memorial.

The proceedings closed with the benediction pronounced by Rev. W. S. Beames.

May 30 Last Day To Enter Appeals For June Sitting

June sittings of the Court of Appeal will begin on June 4, instead of on the customary first Tuesday in the month, Tuesday, June 3, being a public holiday.

The period for entering appeals to be heard at the June sittings of the court will terminate at 4 p.m. on Friday, May 30.

Swedish Logger Escapes With Minor Injury

VANCOUVER, May 28.—Mr. O. Carlson, a Swedish logger, fell from a window in the Warren Rooms, West Hastings Street, at 11 o'clock this morning, crashed through a skylight in a light well of Kidd Block, broke his arm, and escaped with a minor injury.

Authorities at Vancouver General Hospital say Carlson was apparently only stunned. He fell twenty feet.

Flattery is a fault that is easily cured by marriage.

FIFTY YEARS AGO TODAY

(From The Daily British Colonist, May 29, 1880.)

The customary nine o'clock gun at Esquimalt, fired from the flagship, is shortly to be resumed.

The custom of the gun in connection with the construction of the Yale B.C. railway arrived from San Francisco on Wednesday on board the barque Don Francis.

Miss Redfern has been appointed organist of Christ Church Cathedral.

WHAT NATIONAL GOVERNMENT DOES FOR AGED

Return Shows Contributions by Federal Authorities to Provinces Having Pension Act

DISPROPORTION IS EXPLAINED

(Canadian Press)

OTTAWA, Ont., May 28.—The Dominion Government has contributed a total of \$3,771,548.68 to the provinces in aid of old age pensions, up to the end of the last fiscal year, according to a return tabled in the House of Commons today. The disbursements to the 42,353 pensioners throughout Canada amounted to \$7,542,597.12.

Following is the distribution by provinces:

Province	Pensioners Total Paid
Alberta	2,077 \$2,049,474.53
British Columbia	4,376 \$2,049,474.53
Manitoba	1,104 \$1,449,295.87
Ontario	26,370 \$2,235,688.32
Saskatchewan	4,462 \$1,129,942.62
Northwest Territories	4 \$181.00

The apparent disproportion as between pensioners and total payments is due to the shorter period in which the act has been operating in the various provinces. British Columbia was the first to adopt the act, Ontario the last. Consequently the disbursements to British Columbia have been in progress for a much longer time than to Ontario.

MR. JEFFERSON IS PROMOTED

Will Succeed Mr. George Stephen as C.P.R. Freight Traffic Manager

WINNIPEG, May 28.—Mr. C. E. Jefferson, assistant freight traffic manager, Canadian Pacific Railway, Western Lines, since July, 1927, has been appointed freight traffic manager of the company at Montreal, the appointment taking effect June 1, according to announcement made today by Mr. George Stephen, who becomes vice-president in charge of traffic on the same date.

Effective, also, June 1, Mr. Jefferson announces the appointment of Mr. H. W. Gillis as assistant freight traffic manager, Western Lines, and Mr. Gerald Hiam to the position of assistant freight traffic manager, Eastern Lines.

Townley Sentenced

Health and Diet Advice

By DR. FRANK MCCOY

HUNTING THE GREENS

In many country districts it is not unusual to see people out in the meadows with big baskets on their backs hunting for the early spring greens. The practice of using green vegetables at this season is widespread, as man seems to instinctively yearn for the tender green leaves at the end of winter.

Greens are nature's true spring tonic. They are blood purifiers and builders of the highest order. If you are searching for the best blood tonic for rosy cheeks and good rich blood, then eat plenty of greens. If some of them are used in their raw state they will produce a goodly amount of vitamin which is needed to build up a general resistance.

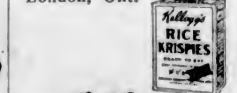

When you help yourself to greens you are taking a dose of the very best medicine in the exact form that nature herself prepared for your use. Greens are among the most alkaline-forming of all foods. They contain large amounts of iron and calcium in an easily assimilated form. Those who are suffering from acidosis would do well to eat greens two or three times every day. When the old-fashioned grandmother ordered greens for that Spring fever, she

Yes, it crackles!

AND RICE KRISPIES are the only cereal that's so crisp it actually crackles when you pour on milk or cream.

Delicious toasted rice. Something different for breakfast. And what a treat for lunch—with fruits or honey added! Kiddies love it. Use Krispies in candies, soups. At grocers. Made by Kellogg in London, Ont.

Kellogg's RICE KRISPIES

To Appear at Concert

Great Crowd Sees Zeppelin Depart From Pernambuco

Continued from Page 1

Everyone on board is quite tired, but exceedingly well pleased with the festivities at Pernambuco. We have been most royally entertained and we did our utmost to respond.

Last evening Captain Schoemaker and Mr. George N. Crouse, my brother, gave a dinner to the American consul and this morning we all attended a "tea party at dawn."

During the last two days at Pernambuco thousands of Brazilians came to see the ship. It was not possible to allow them all to get close to her, so a charge of 60 cents was made for those who wanted to get inside the enclosure and look the Graf over at first hand.

SOUVENIRS OF VISIT

Before we started large baskets

VISITING MAYOR MEETS COUNCIL

Civic Head From New Zealand Tells How Much He Feels at Home Here

During the special sitting of the City Council, held yesterday afternoon, Mayor Troup, of Wellington, New Zealand, who has been in Victoria for a few days, called at the City Hall by invitation and was introduced to the council by Mayor Anson.

Mayor Troup said that he had greatly enjoyed his stay in the city. He had felt truly at home, as much as if he were in New Zealand. He had always looked on Canada as a Greater New Zealand. The people were of much the same stock and temperament. He extended to them a hearty invitation to come and visit him if they came to Wellington. He would like to make them feel as much at home there as Mayor Anson and Alderman

of fruit were sent aboard by friendly Brazilians, and most of the passengers are taking with them souvenirs of their visit to Pernambuco. Mr. Crouse managed to get permission to bring a large cane arm-chair home with him.

A number of the passengers—hopeful of cashing in on the good fortune that has marked our voyage—bought Brazilian lottery tickets just before embarking.

As I write this, while soaring over tropical waters, linen suits are very much in evidence on all sides of me, but tomorrow we expect to be tracing our course over North American lands.

We hope to reach Havana late Friday night or Saturday morning and to arrive at Lakehurst on Sunday.

Adam had made him feel here. As he had sat listening to the council at its work he had felt that he was "on his native heath." Canadians and New Zealanders were all members of one family and both countries had "the same old Mother," which neither of them would ever forget.

Victoria, Mayor Troup said, was the most wonderful city of its population that he had ever seen. He did not think there was any other city in the world with only 70,000 population that possesses such noble public buildings. He would go back inspired with the memories of what he had seen.

Mayor Anson thanked the visitor for his kind words and hoped that he would take back to New Zealand this city's warmest greetings to the people there.

SERIES OF CAMPS IS ARRANGED

Religious Education Council Plans for Succession of Gatherings Near Sooke River

A camp site attractively situated on the Sooke Highway, about a quarter of a mile beyond the Sooke River, has been rented for the Summer by the Religious Education Council for the use of the boys' and girls' clubs and young people's societies of the city. The withdrawal of the Y.M.C.A. camp boys at Beaver Lake, on account of the unsuitability of the site and the absence of any girls' and young people's camps adjacent to the city, has led the executive of the council to underwrite the project.

Camps will be held throughout July and August, beginning with a week for intermediate girls under Miss Grace Adam, July 2-9, to be followed by a boys' camp, under the direction of Rev. Hugh Nixon, July 9-16; a senior girls' camp, under Miss Margaret Johnson, July 21-31, and a young people's camp, August 2-11.

Each of the camps will be under the supervision of the particular board of the council responsible for the age group. At a meeting of the management committee of the council held yesterday, Mr. Hammond consented to act as business manager for the season.

"Do Not Hesitate to Try It"

"Your Vegetable Compound is a good medicine. Anyone who is in poor health should not hesitate to try it. When I was taking the Vegetable Compound I tried the sample Liver Pills I found in the package. I have taken them every night since and I can feel myself improving. I am so thankful for the good they do me that I have told several women about it."—Mrs. G. W. Postill, 263 Huron St., Stratford, Ontario.

Lydia E. Pinkham's Vegetable Compound

CARPET DEPARTMENT, 2nd FLOOR

NOTICE

A specially summoned meeting of the Victoria Trades and Labor Council will be held at 8 p.m. on Wednesday, June 4, at 717 Courtney Street (formerly Orange Hall).

All delegates are urged to be present to consider certain amendments to the by-laws.

Obituary

CRAVEN—The funeral of Mrs. Rachel Craven took place yesterday afternoon at 2:30, from the Thompson & Fetterly Funeral Home, Rev. F. A. Ramsay officiating. Many friends attended the service. The floral tributes were beautiful. The following were pallbearers: Messrs. W. F. Stenton, F. H. A. Norton, H. A. Turner and Goodwin. The remains were laid at rest in Royal Oak Cemetery.

WEDD—Service will be held today at 12 o'clock for Mr. Arthur John Wedd. Rev. F. A. Ramsay will officiate. The remains will be forwarded on the night boat to Vancouver for cremation.

WEBB—The funeral of Captain William Vere Brandram Webb will take place from the family residence, 1048 Transil Road, Oak Bay, this afternoon at 1:45 o'clock, proceeding to St. Mary's Church, Oak Bay, where service will be held by Rev. Canon Nunn at 2 o'clock. Interment will be made in Royal Oak Burial Park. Funeral arrangements are in the hands of Hayward's B.C. Funeral Chapel.

BOOTH—Funeral services for Mrs. Lois Booth will be held tomorrow afternoon at 2 o'clock from the S. J. Curry & Son Funeral Home, corner Quadra and Broughton Streets. Rev. F. A. Ramsay will officiate and interment will be made in the Royal Oak Burial Park.

Liberal Candidate

WINGHAM, Ont., May 28.—Mr. W. H. Robertson, editor and publisher of the Goderich Signal, was chosen on the first ballot at the North Huron Liberal convention here yesterday as party candidate in the Federal election.

Nothing can permanently stain or mar the beauty of the long-wearing surface of Congo Seal Rugs... a simple rub-over with a damp mop and the cheerful pattern is clean and fresh as new.

A Challenge to Stomach Sufferers

HELCO

THE HERBAL MEDICINE—FREE FROM DRUGS

HELCO, the herbal remedy, tells how you can quickly perfect digestion, attain sound sleep and healthy bowel action—without drugs.

No matter how long, nor how badly you have been troubled with stomach disturbances, heartburn, bad breath, sluggish liver and other disorders due to constipation, you will happily see an immediate improvement in your health with the use of HELCO.

This is the verdict not only of thousands of former stomach sufferers, but of physicians and health leaders throughout the land. Hundreds of users who have used this remedy in the treatment of such symptoms as dizzy spells, liver disorders, indigestion, sleepless nights, kidney and bladder troubles have already written in praise of HELCO.

Since taking HELCO, hundreds of local folks no longer suffer from weakened, run-down condition—constant headaches—heartburn—and, above all, poor appetite, muddy blood and sluggish bowels.

HELCO is a herbal medicine—free from drugs. It pays proper attention to stomach needs which ordinary laxatives do not do. It is a most modern and natural adjunct and is a great help in eliminating irritants from the system. It is a natural remedy.

Don't wait. Start taking HELCO today. It does not gripe because it is a natural tonic. You will feel a change after the first bottle. You will enjoy renewed vigor—"a new grip on life."

For all stomach disturbances, heartburn, bad breath, sluggish liver and other disorders due to constipation.

HELCO is on sale at your druggists. As film about it.

DIVORCE GRANTED

Suing for a divorce from Elizabeth Kallenbach, Reginald Frederick Kallenbach was granted a decree absolute with custody of four children, in Supreme Court, yesterday, by Mr. Justice Fisher. Mr. W. J. Moresby, K.C., appeared for the petitioner.

Might Assert His Rights to Throne

BUDAPEST, May 28.—Reports in legitimate circles today were that Archduke Otto, eldest son of the late Emperor Karl of Austria, on his next birthday would issue a declaration asserting his theoretical rights to the throne of Hungary.

The young archduke will be eighteen years old on November 30. He is now being educated in Belgium. Legitimists say that he will make no attempt to disturb the peaceful development of the country. The Hungarian Government will announce that agitation in connection with the question of the throne cannot be tolerated.

The Third Troop, Victoria Boy Scouts, will hold a meeting at the Scout Hall, Johnson Street, at 8 o'clock tomorrow, to which all interested are invited.

Anyone having a particularly good photograph of Plimley & Ritchie's float in the Maytime parade, "The Inheritance of Youth," is asked to communicate with them.

SHOULD SEEK TRADE WITHIN COMMONWEALTH

"Scrutinize Fiscal Policies," Says Col. J. H. Woods, With View to Reach Basis of Adjustment

EMPIRE CHAMBERS DISCUSS THEME

By GEORGE HAMILTON Canadian Press Staff Correspondent.

LONDON, May 28.—Without a dissenting vote the congress of the Empire Chambers of Commerce this afternoon adopted a resolution calling on the governments of the Empire to make a concerted effort to formulate an economic policy for the Empire.

This resolution followed one proposed by Colonel J. H. Woods, of Calgary, Alta., president of the Canadian Chambers of Commerce. Colonel Woods' resolution urged the Empire Government to examine, without delay, their own fiscal policies, with a view to ascertaining in what respects they may be amended in the interests of trade with other portions of the Empire, with due regard to the integrity of their own commerce.

"We want to see concrete action," said Colonel Woods. "Let it be our duty—the duty of Canada, of Australia, of each part of the Empire—to see if we cannot do more for other portions of the Empire without recompense or bargaining. To see if we cannot do more to help them deal with us, and help us buy from them."

"I believe we can do a great deal, if after this conference is over we take the spirit of this resolution home with us to see what we can do."

Colonel Woods' resolution will be further considered tomorrow. Canada's delegates participated largely in the general meetings today. The resolution calling for the formulation of an economic policy for the Empire found general support.

The congress decided to hold its 1933 meeting in New Zealand.

PARTIES GETTING READY FOR TEST

No Less Than 116 Canadians Already Are in Field for Provincial Legislature in Alberta

EDMONTON, May 28.—With 116 candidates and numerous nominating conventions held for the next few days, Alberta's provincial election campaign is steadily gathering momentum. Of the parties, the U.P.A. has thus far been the most active, with a total of forty-one nominees in the field in various parts of the province. Liberals are next with thirty-two candidates, while Conservatives with seventeen and Labor with eleven are gradually increasing their total. Independents of various stripes and shades have entered to the number of fifteen.

Every minister in the Brownlee Cabinet is now in the field. The Premier himself is seeking re-election for Ponoka constituency. Hon. George Handley, for High River, Okotoka; Hon. J. F. Lymburn, for Edmonton; Hon. Vernon W. Smith, for Camrose; Hon. R. G. Reid, for Vermilion; Hon. O. L. McPherson, for Little Bow, and Hon. Perren Baker, for Cypress.

Married life, once remarked a sage, is merely a habit. Yes, the trouble is too many people are trying to break themselves of it.

Clever Boy Wins Junior Cup

GEORGE LITTLE

Nine-year-old son of Mr. and Mrs. George Little, 915 Inverness Street, was winner of the Junior Cup for the year 1929-30. He was also winner of the Junior Cup for the year 1928-29. He has been a pupil of the Victoria School of Commerce since September and is the third pupil of the school to win the Junior Cup.

VICTORIA IS AWARDED BIG CYCLE EVENT

Twenty-Five-Mile B.C. Championship to Take Place in Capital City in August

OTHER TITLES TO BE ON PROGRAMME

VANCOUVER, May 28.—Dates for the Dominion bicycle championships were discussed at a meeting of British Columbia representatives tonight, but no definite time was set for the events. It is likely, however, that they will take place in August, probably during exhibition week. If the Victoria association can make their dates coincide, three of the title events, the one-third mile, one-mile and two-mile, will be run off in Vancouver, while quarter-mile, half-mile, five-mile and twenty-five-mile championship road races will take place in Victoria. As it is necessary for contestants to take part in six events in order to qualify for the grand aggregate, the dates must coincide.

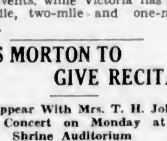

The Victoria delegation, George Robertson and Bob Peden, will take up the matter of arranging the dates to fit in with the August dates at Vancouver.

The principal reason for bringing the Vancouver and Victoria meets together is that two or three Eastern bike stars as well as a couple from Winnipeg are expected to enter, and it is the aim of the association to simplify matters for them as much as possible.

Provincial championship also were discussed at the meeting, and the opinion of the delegates was that these should also be staged at about the same time as the Dominion events, with a view to making it convenient for those who wish to compete in both meets. The provincial events Vancouver has the quarter-mile, half-mile and five-mile events, while Victoria has the one-mile, two-mile and one-mile junior.

MISS MORTON TO GIVE RECITAL

Will Appear With Mrs. T. H. Johns in Concert on Monday at Shrine Auditorium

MISS DOROTHY MORTON

Miss Dorothy Morton, who is appearing in a joint recital with Mrs. T. H. Johns in the Shrine Auditorium on Monday next, is one of the gifted pianists of this city. She is a pupil of Miss M. Hemming and also attended the Stojewski master class in Seattle, where she won great praise for her work. Miss Morton has been most successful in recent years in the musical festival competitions, both here and in Vancouver. She is gold medalist in the open piano class in Vancouver and silver medalist in the Vancouver Festival. Miss Morton has been, perhaps, one of the most generous pianists of the city, always giving unstintingly of her talent to worthy causes. She has been associated with the Victoria High School Choir, the Victoria Male Chorus, and the Arion Club as accompanist.

Thursday, Ascension Day service will be held in St. John's Church, Colwood, at 10:30 a.m., by Rev. A. L. Nixon.

City & District

Plymouth Girls to Visit—Owing to the annual visit of the Plymouth Girls Club of Seattle to Victoria tomorrow, it has been arranged to delay the departure of the Seattle steamer from 3:45 o'clock to 4:30 o'clock.

Meeting Discusses Transportation—The public meeting at St. Aidan's Hall last night, convened by residents of the Cedar Mill and Gordon Head districts, again expressed disapproval of present transportation conditions in the latter section, and requested Councillor Somers, who was present, to acquaint the Sanich Council with the necessity for improvement.

Seeking Slogan—Secretary C. B. Sylvester, of the Central School Old Boys' Reunion, announces that he will give a prize of \$2.50 for the person sending in the best slogan in connection with the Central School Old Boys' Reunion. As this will be an annual affair a suitable slogan is desired. This competition is open to former and present pupils of the Central School. Slogans may be sent to Sylvester's Feed Store, Yates Street.

Education Fellowship Active—At a meeting of the New Education Fellowship, held at Victoria College on Tuesday evening, it was decided to form a study club and hear addresses by prominent educationists once a month. It is intended to consider the new development in education generally, and to attempt to apply theories to provincial questions when it feels it is fully qualified to take action on more or less local matters.

Seymour Narrows—The subject of the Seymour Narrows Bridge is to come before the Sanich Board of Works at a meeting called for Monday in the Community Hall at Brentwood. This matter is being presented by Mr. R. T. Williams, of the city, who is a most enthusiastic supporter of the idea of having a connection between Vancouver Island and the Mainland established by a bridge. His address on the subject will be illustrated with lantern views, and a free discussion is to follow.

Marriage Records—In the province of British Columbia for the year 1929 the marriages entered into included 872 per cent of bachelors and 88.5 per cent of spinsters. Of the 4,942 marriages, 3,938 of them were contracted into by persons who had not been married before. Two hundred and twenty-six widows married bachelors, 179 widows married widowers and thirty-six of them married divorced men. Bachelors wedded 146 brides who had previously been divorced; widowers married 224 spinsters, and in twenty-eight instances, divorced couples were married again. Over 200 divorced men got married again, 111 to spinsters, thirty-six to widows and thirty-four to women who had been divorced.

Minister Entertained—Hon. James E. Fenton, Minister of Trade and Customs in the Australian Government, was tendered a complimentary luncheon at the Empress Hotel by Premier S. F. Tolmie prior to his departure yesterday for the Commonwealth. Lieutenant-Governor R. R. Bruce was a guest and was given a hearty welcome back to the province after his visit to Enlil. Among the other guests were Hon. J. Hinchliffe, Minister of Education; Mr. H. D. Twigg, M.P.P.; Mr. R. Hayward, M.P.P.; Mayor Troup, of Wellington, N.Z.; Mayor Anson, and Mr. A. M. D. Fairbairn. The Lieutenant-Governor, Premier Tolmie, Mr. Fenton and Mayor Troup spoke following the luncheon, on the possibilities of building up a greater trade between Canada and Australia.

Deaths From T.R.—In the record of deaths from tuberculosis in the Province of British Columbia, it is contended by the Provincial Health Officer, Dr. H. E. Young, that the situation is unduly presented, due to several factors which tend to make the record for the Pacific province high. One of these is the fact that deaths among the native Indians from this cause is exceedingly high, and this is a factor over which the province does not exercise authority. As these people are the wards of the Dominion, another fact is that many come to British Columbia suffering from the disease in order to try to derive benefits in this climate. To this is added the high death rate from this cause among Orientals.

The death rate for tuberculosis is 108.2 per 100,000 of population, the second highest in the Dominion. Of these deaths 35.2 per cent is among Indians.

CANADIAN LEGION LEADER PRAISES PENSION MEASURE

OTTAWA, May 28.—Lieutenant-Colonel R. L. Leche, Dominion president of the Canadian Legion of the British Empire Service League, who was chosen to represent the views of all returned soldiers' organizations in Canada during the recent representations before the special committees of Parliament appointed to consider veterans' pensions and problems, comments on the virtual passing of Bill 265 by the Senate yesterday.

"The passing of this measure, by which the Pension Act is considerably broadened and the administration of that act revolutionized to overcome many serious obstacles which have for years been a source of great dissatisfaction among the members of the Canadian Expeditionary Forces," he said, "the result of several years' effort on behalf of returned men and their families has been successfully consummated."

"In my opinion," continues Colonel LaFleche, "there will never again be need for appointing special committees."

committees of Parliament to study returned soldiers' problems, as the amended act is so designed as to correct to a large extent whatever unsatisfactory situations may arise. What may not be taken care of in the act will be the subject of representations to the Government as problems develop in years to come."

INJURIES PROVE FATAL

VANCOUVER, May 28.—Mr. Henry Carson Livingston, eighteen, only son of Mr. and Mrs. Locke Livingston, Vancouver, sustained injuries that proved fatal Monday when hit by a swinging log at the McCoy, Wilson, Limited, logging camp, Reid Bay, sixty miles north of Campbell River. He died while being rushed to Rock Bay Hospital. Mr. Livingston was on two months' leave of absence while in the North. He was a sub-manager of the circulation department of The Vancouver Sun, and was a student at Duffus Business College.

Announcements

Your husband or "boy friend" may love you but he will love you a jolly lot more without those horrid hairs and moles! and bumps and lumps on your face. What woman with a love and appreciation of the beautiful could endure anything so disheartening—and unnecessary? Consult Miss Hanman, 503 Sayward Building.

Dr. E. H. Griffiths, dental surgeon, of the Sayward Building, wishes to announce to his patients that he has moved to Rooms 3 and 4, Arcade Building, where he will also attend to Dr. B. C. Richards' patients during his absence.

Wedding cakes made to order, by expert designers. All up-to-date methods and the finest materials combine to make Masters' wedding and anniversary cakes a byword. Make enquiries at one of our stores, on Cook or Government Streets.

Your wedding requires the best in printing for your announcements, invitations, etc. Let us show you samples of our work at reasonable prices. The Colonist Job Printing Department. Phone 197.

Canadian Daughters. The following officers were elected at the last meeting of the Far West Assembly, No. 30, Canadian Daughters' League, held recently at the New Thought Hall: President, Mrs. E. Clarke; vice-president, Mrs. A. Galbraith; second vice-president, Miss L. Noble; recording secretary, Miss B. Cottell; corresponding secretary, Miss E. Dewar; financial secretary, Miss M. Dickson; treasurer, Mrs. L. A. Campbell; chaplain, Mrs. B. Ritchie (installed by Mrs. Haines); sergeant-at-arms, Miss Hocking; assistant, Miss H. Haines; inner guard, Miss Clawson; outer guard, Mrs. Burns; historian, Mrs. H. L. Wilson; pianist, Miss S. Simmonds; press correspondent, Miss Nathan; junior past president, Mrs. Barr. Mrs. Barr was presented with a junior past president's pin, a fountain pen and a bouquet of roses. Mrs. Clark presented flowers.

NEW METHOD LAUNDRIES LTD.

to Mrs. Ritchie and Mrs. Haines. The following conveners of standing committees were appointed: Educational, Mrs. Barr; laws, Mrs. Campbell; sick and visiting, Mrs. Ritchie; social, Miss Hocking; membership, Mrs. Dewar; refreshments, Mrs. Fitzsimmons; finance, Mrs. Harrison; auditor, Mrs. Lillie; glue clubs, Miss Noble; orchestra, Miss Buckbay. Mrs. Dickinson will arrange a series of bridge parties at Chemainus W.A.

At a recent meeting of the Women's Auxiliary to the Chemainus General Hospital, held in the classroom of the Calvary Baptist Church, the final arrangements were made for a garden fête to be held on June 12 in the grounds of Mr. and Mrs. Humbird. The board of directors will be asked to provide some form of entertainment for the evening, the ladies attending to the stalls for tea, home cooking, candy and various forms of sport and entertainment. Mrs. Alec Work reported for the visiting committee that the furniture for the nurses' living-room had been purchased and installed. Tea was served by Mrs. Evans and Mrs. Roy Gill.

Navy League Auxiliary. The regular meeting of the Women's Auxiliary to the Navy League of Canada, Victoria branch, will be held tomorrow at 2:30 o'clock, at room 314 Pemberton Building. Plans will be made for June and July activities, and all members of the auxiliary and friends of the Rainbow Sea Cadets are very cordially invited to be present.

Queen City Chapter. All friends of the S.O.S. Club of the Queen City Chapter No. 5,

TODAY'S RECIPE

SPRING SALAD.—Peel chilled tomatoes, celery, chopped minced onion, sliced radishes, sliced cucumbers, French dressing, lettuce, mayonnaise. Mix together the celery, onion, radishes and cucumbers and chill thoroughly in a covered container in the electric refrigerator. Peel the tomatoes, and chill thoroughly. At serving time scoop out the centres of the tomatoes (use the centres for making tomato soup or in scalloped tomatoes). Season the celery mixture with French dressing and fill the cavities in the tomatoes with the mixture. Place on a lettuce leaf and top with mayonnaise.

POACHED EGGS on Savory Toast.—Stomp out as many rounds from the slices of bread as are required and fry them in a small quantity of boiling fat until they are a golden color; drain them on soft paper and spread them with a layer of potted meat (preferably ham), then put a poached egg on each.

O.E.S. are cordially invited to a silver tea to be held at the home of Miss Agnes Gibson, 1248 Fort Street, on Saturday from 3 to 6 o'clock. An attractive programme has been arranged and the proceeds will be used for the purchase of flowers and fruit for the sick members of the order.

V.O.N. to Hold Annual Tag Day

FIVE of the active nurses connected with the Victorian Order of Nurses, whose splendid work among the sick has become invaluable in the community. The V.O.N. is supported by voluntary contribution and much service is rendered free of charge, the fees, when charged, being very small. Saturday's tag day will undoubtedly meet the same generous response from the public which has greeted its appeal each year.

Tourist (pulling up after speeding through village): Say, son, are we right for Washington's home? Boy (calmly): Yes, you're right, mister; but you needn't hurry—Washington ain't living there now.

At Island Hall

The following have recently been registered at the Island Hall Hotel, Parkville: Mr. and Mrs. V. W. Stewart, Victoria; Mr. and Mrs. T. Pitt and Miss Pitt, Mr. A. E. Robinson, Duncan; Miss Lorna Kirkbridge, Mr. C. F. McDonald, Mr. E. K. Fletcher, Nanaimo; Mrs. A. B. Moore and family, Vancouver; Mrs. L. T. Davis, Victoria; Mr. and Mrs. G. D. Curtis, Miss Curtis, Mr. and Mrs. L. F. Brecher, Vancouver; Major J. Johnstone, Port Alberni; Mr. and Mrs. H. B. Petter, Mr. and Mrs. P. Hall, Mr. and Mrs. F. L. Farthing, Mr. and Mrs. J. W. Winkinson, Mr. C. F. Frippe, Mr. Y. C. Long, Mr. S. Floyd, Mr. B. Murray, Mr. A. N. Wood, all of Vancouver; Mr. T. G. Vendell and Mr. A. F. Ussua, Regina; Mr. M. V. Jeffrey, Argyle, Scotland; Mrs. Leith Murray, Miss A. Buckfield, Mr. and Mrs. G. W. Ternes and family, all of Vancouver; Mr. and Mrs. C. Milne, Los Angeles; Mrs. J. R. Hall, Smithers; Mr. W. H. Alcock, Vancouver; Mr. and Mrs. P. D. Stockwell, Mr. and Mrs. G. E. Stockwell and Mrs. L. H. Burden, Compton,

Banquet Held by P.E.O. Sisterhood

United by a spirit of good-fellowship and co-operation, the members of the P.E.O. Sisterhood, with their husbands gathered at the Empress Hotel ballroom last evening when the banquet, which concludes the two-day conference held here, was enjoyed by nearly 200 guests. The tables were charmingly arranged with columbine, nepeta and snapdragons, and Mrs. Frances Milburn, president of Provincial Chapter, acted as toastmistress in a very efficient manner.

After the singing of "O Canada," Rev. W. J. Shippell pronounced the blessing. During dinner a number of P.E.O. convention choruses were sung, and following the toast to the King and the National Anthem, Mr. H. O. English extended a welcome from city and educational circles. Mrs. Laura Chambers, of Vancouver, second vice-president, responding. Dr. T. H. Johns sang two enjoyable ballads, "Vulcan Song" and "Bols Epais" (Lullaby).

The toast to "Our B.L.L.'s" was proposed by Mrs. Louise Mahony, of New Westminster, and Major S. Okell replied with an unusually clever and amusing rhyme, into which he brought the names of all the B.L.L.'s.

EDUCATIONAL FUND. Mrs. Louise Alexander, of Vancouver, recording secretary, spoke of the educational fund in British Columbia. The fund, started in 1904 with a total of \$658, had now reached the sum of \$600,000, with \$22,000 in the endowment fund and \$498,000 in the revolving fund. Three thousand young women had been assisted with higher education, bursaries had been endowed, nursing courses provided for and a bursary of \$75 endowed at the University of British Columbia.

Mrs. Winona Reeves, of Chicago, editor of The P.E.O. Record and representative of Supreme Chapter, gave an inspiring talk dealing with the subject of "Culture and Its Quest." The distinguishing marks of culture, "a priceless quality which makes for better and happier living," were outlined by the speaker, and she received a great ovation at the conclusion of her address.

Mrs. Wakefield, on behalf of Mrs. Louise Hoagland, of Washington State Chapter, brought greetings from her sister members, and Mrs. Bertha O. Clarke, mother of P.E.O. in Canada, congratulated the members upon the achievements in the province since the founding of the order here.

Mr. A. Sullivan, inspector of high schools, spoke of his "Impressions of P.E.O." and praised the very high standards of the order. Led by Mr. Sullivan, the men present sang "For They Are Jolly Good Fellows" in honor of the P.E.O. members.

Mrs. Florence Agnew, first vice-president, gave two recitations, "At the Photographer's" and "The Culprit," and Miss Dorothy Chalmers sang two delightful solos, "The Secret" and "The Second Minute."

The convention arrangements were in the hands of Mrs. Anna Okell, assisted in receiving by Miss Muriel Atliard and Mrs. Elta English. Mrs. Mabel Lock was programme convener, and the decorations were arranged by Mrs. Willis. Mrs. Jane Denton was chairman of the banquet, and Mrs. Jane Jordan, favors.

NEW GARNISHES AND DRESSINGS FOR SALADS

A dash of paprika, a sprinkle of nuts, bright slices of pimiento or green pepper, or slices of stuffed olives or hard cooked eggs—and, behold! a new and tempting salad. It doesn't take much extra time to give these intriguing touches to the salad. A little green vegetable coloring added to the gelatine salad makes it delectable and decorative looking. Slices of maraschino cherries or diced pimientos are effective. Grated cheese, grated raw rutabaga or raw carrot should garnish the Halloween or Thanksgiving salad; holly made from sweet cucumber pickles for leaves and pimiento for berries, or mistletoe made of green peppers and tiny pearl onions, the Christmas salad. The same new interest can be given by varying the dressing. Here I give you a basic recipe for mayonnaise and some of the appetizing variations which can be made from it. You will notice that one of the ingredients of my basic dressing is Carnation Milk. This is most important. Let me tell you why.

Carnation Milk contributes smoothness and richness
Doubly rich in cream, Carnation Milk contributes this richness to everything in which it is used. In addition, the cream content is broken up into fine particles by "homogenization," so that the texture of any dish in which Carnation is used is notably smooth and delicate and fine.

Domestic science experts agree that Carnation Milk gives cooking results that you cannot get with even the finest of bottled milk. Carnation Milk is simply pure, sweet, whole milk, evaporated to double richness, "homogenized" to keep the rich cream distributed all through the milk, and sterilized for safe-keeping. You will find it convenient, dependable and economical for all your cooking. Send for free Cook Book. Address Carnation Co., Limited, 134 Abbott Street, Vancouver, B.C.

Carnation Creamy No-Egg Mayonnaise—2 tsp. sugar, 1 tsp. paprika, 1 tsp. salt, few grains pepper, 1 tsp. dry mustard, 1 cup Carnation milk, 24 tsp. vinegar, 11-14 cups salad oil. Mix dry ingredients with Carnation; beat in vinegar; add oil gradually, beating thoroughly. Chill. If thinner mayonnaise is desired, use less oil or thin with undiluted Carnation before using. Keep in glass covered jar in cold place. Recipe makes 1 pint.

Thousand Island Dressing—2 cups Carnation No-Egg Mayonnaise, 1 cup Chili sauce, 1 tsp. finely cut onion, 3 tsp. diced pimiento, 3 tsp. diced green pepper, 2 hard cooked eggs, cut fine, 2 tsp. chopped sweet pickle. Mix ingredients and chill.

Cucumber Dressing—1 cup Carnation No-Egg Mayonnaise, 1 cup diced cucumbers, 1 1/2 tsp. grated horseradish. Cheese Dressing—1 pkg. cream cheese, 3 tsp. chopped sweet pickle, Carnation No-Egg Mayonnaise, Mash cream cheese, stir in enough mayonnaise to make it the desired consistency, add pickle. Chill and serve with vegetable salads.

AND REMEMBER

that the extra deliciousness which you have found that Carnation Milk contributes to some dishes extends to every dish in which it is used. Try Carnation Milk for all your cooking. You'll see!

(See recipes above)

The Safeguarded Milk "from Contented Cows"

At Y.W.C.A.
The following guests registered at the Y.W.C.A. over the week-end: Mrs. Corby, Winnipeg; Mrs. and Miss James, Saskatoon; Mrs. E. Thompson, Edmonton; Miss Anne Lomas, Duwau; Miss E. Smith, Miss R. Scotland, Mrs. A. E. Harner, Mrs. and Miss Hailing, Miss Harrington, Mrs. and Miss Kingham, Vancouver.

Return to City
Mr. and Mrs. Percival R. Hardy have returned to Victoria from their honeymoon and will make their home at Mount Douglas Apartments. The wedding took place quietly at the home of Mr. and Mrs. J. E. Barnett, Dallas Road, on May 15, and the bride was formerly Miss Una Burrows.

Jordan River
Mrs. Hastings and her daughter returned to their home in Victoria last Thursday, after spending a holiday in Jordan River.

Miss Maude Barker
is staying here as the guest of Mr. and Mrs. D. I. Walker.

Miss Grace Hoffman spent a couple of days in Victoria at the end of last week.

Mr. and Mrs. William Stubbs and their daughter, Marie, were visiting their daughter and son-in-law, Mr. and Mrs. H. G. Rough, last Sunday.

A number of the Jordan River residents who visited Victoria on Saturday for the Victoria Day celebrations, among them being: Mrs. D. I. Walker and her daughters, Peggy and Adelaide, Mrs. E. Sager and Mary, Mrs. J. Johnson and Lois and Beryl, Mrs. Bony and Alec, Mrs. L. Fatt and Mr. C. Richards.

Mr. and Mrs. Dawson recently arrived, and are camping in Jordan River, while Mr. Dawson is employed with Hodgson, King & Marble here.

Mrs. F. Ames and family spent the week-end with friends here.

Mr. E. N. Horsey and Mr. H. Dixon were here on a business trip during last week.

Mrs. Silverthorne and Miss M. Silverthorne were in Victoria for a day or two at the beginning of the week.

South Pender, Saturna
Mrs. H. A. Spalding returned to South Pender, after visiting in Victoria, where she was the guest of Mr. and Mrs. Grubb.

A party left South Pender for Victoria and Ladysmith, on Friday, Miss Tobin, accompanied by the Misses Kathleen and Dorothy. The Georgeson spent the week-end with Miss Tobin's parents in Victoria; Mr. L. Robertson, Mr. T. Pickup, Mr. T. Robertson and others visited their respective homes in Ladysmith.

Mr. and Mrs. G. F. Payne left Saturna on Sunday, and after spending a couple of days in Victoria, have left on a motor trip to California and Colorado.

Mrs. B. S. Irving returned to South Pender on Tuesday, after spending a couple of days with Mrs. Mellander, at Oak Bay.

AT CADBORO BEACH HOTEL
Guests at the Cadboro Beach Hotel include: Mr. and Mrs. Fred Schwender, San Bruno, Cal.; Mr. and Mrs. Budd, Mrs. Gordon Drysdale, Miss Dickie, all of Vancouver; Mr. James Harvey, Toronto, and Mr. and Mrs. Earl Latimer, of Seattle.

FROM MONTREAL
Miss Gertrude Sweeney, of West- traint, Montreal, has returned to the city on a visit to Dr. and Mrs. Aymer, "Pendower," Lansdowne Road, Uplands.

Fashion Fancies
By Marie Belmont

One for all for the "all in one" seems to be the new feminine slogan of the lingerie world. The garment that combines brassiere, girdle and panties has become an inevitable part of the intimate wardrobe, and for a very obvious reason. The current silhouette demands a smooth, well-molded foundation for a revelation of its charms. A wrinkle in one's undergarment may ruin the effect of an otherwise alluring frock or gown.

That these "all in one" garments may be both stylish and comfortable is shown in the sketch here today. The model is of soft cream-colored crepe de Chine and trimmed luxuriously with Alencon lace. A casual boudoir cap delightful for slipping on over a nightgown, or while "making up" is shown in the same lace.

Win Silver Medal for Duet

GERALDINE Paterson, aged nine years, daughter of Dr. and Mrs. P. H. Paterson, Victoria, and Mary Orme, aged ten years, daughter of Mayor and Mrs. Orme, Prince Rupert, pupils of Miss Gwendoline Harper, won the silver medal in the elementary pianoforte duet for girls in the recent Musical Festival held in this city.

Island Social Notes

Lake Cowichan

Among those visiting the Lake during the week-end were: Miss Hazel Lewis, Messrs. H. A. Blodin, R. C. Sinclair, N. Neilson, W. A. Moyer, E. S. McDonald, G. H. Garnham, Henry Lee, J. Thompson, all of Vancouver; R. Kurtzshals, of Lasqueti, Miss Thea Woods, of Nanaimo; H. H. Jones, of Victoria; J. G. Sutherland, of Winnipeg; R. K. Mansen, F. G. Appleton, and W. N. Scott, all of Victoria.

Those registered at the Riverside Inn during the week-end were: Miss Hazel Lewis, Messrs. H. A. Blodin, R. C. Sinclair, N. Neilson, W. A. Moyer, E. S. McDonald, G. H. Garnham, Henry Lee, J. Thompson, all of Vancouver; R. Kurtzshals, of Lasqueti, Miss Thea Woods, of Nanaimo; H. H. Jones, of Victoria; J. G. Sutherland, of Winnipeg; R. K. Mansen, F. G. Appleton, and W. N. Scott, all of Victoria.

On Sunday morning, Dr. Mitchell and a party from Victoria, left the Riverside Inn for a several days' trip down the Cowichan River by Indian canoe.

Mr. and Mrs. R. Fielding and their family, accompanied by Alni Matson, spent the week-end in North Cedar, visiting Mrs. Cochran.

The friends of Mr. Duncan Stewart will be pleased to hear that he is making splendid progress toward convalescence in the Jubilee Hospital, Victoria, and will soon be home again.

Among those visiting Victoria during the week-end were: Mrs. Bishop, Mrs. Duncan Stewart, and her two children, Mr. Barker, Mrs. Hemmingsen and Betty Hemmingsen, Mr. George Hemmingsen, Miss Gladys Lomas, Mr. Charlie March, Mr. Proctor McPherson.

Mrs. Hartley and Miss Dorothy Hartley, of Belleville Street, Victoria, were the house guests of Mr. and Mrs. Frank Plummer during the week-end.

Miss Frances Brian, of Duncan, spent the week-end at Youbou as the guest of her sister, Miss Brian, who is the teacher at the Young School.

Among the guests registered at the Lakeside Hotel were Mr. and Mrs. Nunn, Mr. Dods, Mr. W. J. Magrawe, Mr. and Mrs. S. F. D. Roe, all of Vancouver, Mr. and Mrs. H. Heyneman, of San Francisco; Mr. and Mrs. Freer; Mr. and Mrs. M. V. Dunn; Mr. and Mrs. F. A. Freer; Mr. and Mrs. Fleming and son; Dr. and Mrs. Nickells and two children; J. Spencer, Dr. C. J. Coultas, P. Hewlings, Mr. J. B. Adams, Mr. and Mrs. E. M. Roe, all of Seattle; Mr. and Mrs. Nubert, of Seattle; Mr. and Mrs. Christensen, of Chicago; Mr. W. J. Sheppard, of Victoria, and Mr. Oliver Tyrer, of Victoria.

Mr. Clifford Margison, also of Victoria, spent the week-end with Mr. and Mrs. Frank Green, at "Greendale," and were motored to Victoria early on Monday morning by Mr. Trevor Ginday, accompanied by Mrs. F. Green.

Miss S. Spencer and Miss Burdick, of Victoria, have returned to Victoria after spending a few days at "Greendale," with Mr. and Mrs. F. Green.

Mr. and Mrs. George Kier, of the Island Highway, entertained their four sons and their wives for the week-end, Mr. and Mrs. William Kier, of New Westminster; Mr. James Kier, of Vancouver; Mr. and Mrs. Sidney Kier, and Mr. and Mrs. Basil Kier, of Lake Cowichan. The party went up Mount Prevost on Sunday.

Mr. Underwood, of Herd Road, and his granddaughters, Misses Doris and Hilda Corbie, visited in Victoria recently.

Mr. and Mrs. William Stevens, of Vancouver, visited Mr. Stevens' sister, Mrs. Britton, for a few days.

Mr. and Mrs. Kelghy, of Washington, have been renewing old acquaintances and were the guests of Mr. and Mrs. M. K. Smith, Tyee.

Miss Sheila Tidall is at home with her parents, Mr. and Mrs. G. A. Tidall, "The Grange."

I.O.D.E. CALLS FOR GREATER EFFORT

MONTREAL, Que., May 28.—A call for greater efforts to enlist women in the Imperial Daughters of the Empire so that Canada, in its forward march, might have a band of women from coast to coast to uphold and strengthen British ideals, was sounded by Mrs. Heber Vroom, of Saint John, N.B., organizing secretary, at the thirtieth annual meeting of the National Chapter, I.O.D.E., here this morning.

Twenty-six new chapters were formed and sixteen disbanded during the past year, it was shown in the organizing report.

Courtenay
Mrs. E. Hermal has returned to Vancouver, after visiting friends here.

Mr. and Mrs. Charles Wing, of Royston, enroute here Monday morning, en route for N.Kana, Northern Rhodesia, South Africa.

Miss Gwen Carey, after spending a holiday with her parents at Royston, left on Monday's Equimait & Nanaimo train for Rochester, Minnesota.

Mr. C. Scott and Mr. C. V. Pickles from Denman Island were visitors in town on Friday, on their way to Campbell River.

Mr. Shaw, Sr., is visiting at the home of his son, Mr. Harold Shaw, on the Lake Trail.

Canadian National Earnings Far Lower

MONTREAL, Quebec, May 28.—Gross revenues of the Canadian National Railways for the month ending April 30 were \$18,310,024, against \$23,210,729 for the corresponding month of 1929, according to the monthly statement of earnings issued from Canadian National headquarters today. The decrease in gross earnings, as compared with April, 1929, was \$4,900,705.

Net revenue for April, 1930, amounted to \$2,190,693, against net revenue of \$4,650,944 in April, 1929. For the four months period ending April 30, 1930, gross revenues were \$70,892,654, against \$84,515,476 in 1929 period, a decrease of \$13,622,822. Net revenues for the 1930 period were \$6,755,214, as compared with \$15,833,206 for the corresponding months of 1929.

ROMANTIC PAIR IN NEW TALKIE

Janet Gaynor and Charles Farrell
Appear in "High Society Blues" at Dominion

The audible screen's greatest pair of sweethearts, Janet Gaynor and Charles Farrell, are again co-starred in "High Society Blues," Fox Movietone musical romance, which opens today at the Dominion Theatre, for a three-day run.

"High Society Blues" is adapted from a short story by Dana Burned, which recently appeared in The Saturday Evening Post, and details the troubles of a wholesale grocer from a small Iowa town, who sells his business to a chain store corporation for several millions, and then tries to crash the exclusive social set of Westchester County, New York.

The young stars are surrounded by a cast of unusual strength, including William Collier, Sr., Joyce Compton, Hedda Hopper, Louise Fazenda, Lucien Littlefield and Brandon Hurst.

David Butler, who guided Miss Gaynor and Farrell so successfully to new fame in their first musical comedy on the screen, "Sunny Side Up," also directed this delightful comedy romance.

Both Miss Gaynor and Farrell sing in this production, five tuneful melodies having been provided by Joseph McCarthy and James Hanley.

EXPERT ESSAYS DETECTIVE ROLE

Coliseum Stars O. P. Heggie, Who Represented Sherlock Holmes in Stage Plays

The man who put Sherlock Holmes on the London stage continues his detective portrayals after a lapse of more than fifteen years, in Paramount's all-talking picture, "The Mysterious Dr. Manchu," which will show at the Coliseum Theatre for three days, starting today.

The man is O. P. Heggie, who recently forsook the stage to devote his time to audubon motion pictures. When Heggie portrayed Sherlock Holmes on the London stage in 1911, he had already had more than twelve years of stage experience, having played in some of the best known plays previous to that time.

In 1912, he played in "The New Sin," at the Criterion Theatre, New York, where he recently was seen in his first talking motion picture, "The Letter."

"His House in Order"
Will Be Shown at Columbia Theatre

No British drama of recent years has equalled "His House in Order," the feature now showing at the Columbia Theatre, in the widespread fame it obtained, and it is a little surprising that the inevitable filming of it should have waited so long.

Many playgoers will recall the story of this domestic drama—the husband who worshipped the memory of his first wife, and compared her only too favorably with the second one, the sprightly governess to his child, until an accident laid bare the first wife's double life, and her married successor was restored to her rightful place in her husband's esteem.

When first played on the stage this Arthur Pinero drama has for its two leading artists such brilliant actors as Sir George Alexander and Irene Vanbrugh. As a film it is fortunate in having in those two parts the equally brilliant Tallulah Bankhead—now the foremost actress on the British boards—and Ian Hunter, recently seen with such success in "The Ring."

CAPITOL "Song of the Flame," THEATRE The First National and Vitaphone operetta, which will play at the Capitol Theatre for the balance of this week, is replete with beautiful musical selections. Many writers contributed to the musical score, particularly George Gershwin, Herbert Stothart, Grant Clarke, Harry Akst and Edward Ward. Among the many selections from the pen of these writers are "Song of the Flame," and "Cossack Love Song," by George Gershwin and Herbert Stothart.

"Why do they have those glass cases with axes in 'em in the passenger cars?"
"Oh, they are there in case some one wants to open a window!"

CITY GIRL AS TARE IN WHEAT

Interesting Character Study Is Made in Playhouse Picture

Rarely are screen patrons privileged to see a film such as excellence as "City Girl," Fox Movietone talking picture, directed by F. W. Murnau, which opens today at the Playhouse Theatre.

Charles Farrell and Mary Duncan are co-featured, and give very able performances of difficult roles. "City Girl" tells the story of a country boy who marries a waitress in the city. When he "transplants" her on his father's ranch, the tyrannical rancher looks on her as a tare in the wheat. He tries to root her out; the son remains passive until he sees his father about to succeed, then steps in and wins back the girl he is losing, and incidentally the father sees the error of his ways, and chastening leaves him a reborn individual.

INCOME WAR TAX ACT IS ABOLISHED

OTTAWA, May 28.—By an amendment to the Income War Tax Act adopted in the House of Commons today, contributions to any charitable organization not exceeding 10 per cent of the income of the taxpayer are exempt from income tax. The term "charitable organization" in its legal sense includes churches, hospitals, schools, universities and institutions for the relief of poverty.

In its original form the amendment only applied to churches, hospitals and educational institutions. At the request of Opposition members, the Government reconsidered the matter, and Hon. W. D. Euler, Minister of National Revenue, today announced the provision would be broadened out to include all charitable organizations.

With this change the amending act was passed.

The Story Behind the Play

By J. J. GELLER

"MANON"

Caruso as Des Grieux in "Manon"

In the first half of the eighteenth century, a renege monk, brought further ecclesiastical machinations upon his head with the writing of "Manon Lescaut," a novel in which a woman abandons her true love for that of a pious, wealthy man and induces him to desert the religious life to which he had dedicated himself. After a series of adventures she expires in the arms of her faithful lover.

Notwithstanding Abbe Prevost's protestations that he wanted to prove the age-old Biblical admonition that the wages of sin is death, his book was regarded at the time of publication as inimical to the tenets of Christianity. Nevertheless, "Manon Lescaut" ranks as a classic with the literati of France in its finely chiseled conflict of false love and an exalting sentiment.

For more than a century after publication "Manon Lescaut" reposed on the shelves of all true bibliophiles. During all those years there were innumerable attempts to dramatize the story or transpose it to the field of grand opera, but to no avail, until Jules Massenet pounced upon it for one of the most popular operas ever composed.

The story goes that one Carvalho, the director of the famous Opera Comique in Paris, engaged Massenet to compose music to the libretto of "Phoebe," submitted by the well-known authors and collaborators, Henri Meilhac and Philippe Gille. An examination of "Phoebe" convinced Massenet that it could never make its way successfully to the operatic stage, and he rejected it. Before returning the libretto to Carvalho, the composer went to Meilhac's home and tactfully informed him that "Phoebe" lacked the elements of grand opera. Meilhac accepted the composer's cheerfulness and invited the composer into his library. Suddenly Massenet saw the title of "Manon Lescaut" stamped upon one of the many volumes on the open shelves and promptly suggested a novel for an opera. Meilhac nodded his assent and made a luncheon engagement with his visitor for the next day.

When Massenet departed the librettist followed him out of the door and into the street, where he hastened to the home of Gille and discussed with him the matter of writing a libretto based upon Abbe Prevost's novel. Gille was won over by this plan, and both plunged into the writing of it right then and there. It is recorded that within a few hours they finished the first two acts in longhand, which they titled "Manon." The rapidity with which they began this text can be attributed to the fact that the plot of "Manon Lescaut" was firmly entrenched in their minds, and this facilitated the writing.

The next day, when Massenet and Meilhac met at a restaurant by appointment, the former found two acts of "Manon" beneath his napkin. The other three followed within a few days.

Although Meilhac and Gille delivered the complete text within a week, it took the composer almost three years to finish the score. A half-hour before the curtain went up for the first performance on the night of January 9, 1864, Massenet wrote to a friend that he would soon discover whether his hopes were to be confirmed or utterly shattered. We may easily judge his gratification when it is taken into consideration that he lived to witness the 1,000th performance of "Manon."

TROUT HAUNTS PROVIDE GOOD FLY FISHING

Victoria and Island Publicity Bureau Receive Reports From Island Resorts

MARCH BROWN AND GNATS BEST LURES

Reports received by the Victoria and Island Publicity Bureau from various resorts tell of good fishing, the trout rising well to the fly, with good catches the rule at the north end of Shawnigan Lake, Bear Lake and Marble Canyon, Cowichan Lake; Little Qualicum at Cameron Lake, and Taylor Arm, Sproat Lake. Baskies run anywhere from ten to twenty fish, and weigh from two to two and one-half pounds each, with some over four pounds.

Among successful fishermen at Cowichan Lake at the beginning of the week, were Messrs. E. M. and S. F. Roe, of Victoria, who landed twenty-two fish between them, all good sized, with one a five pounder. The catches at Cameron Lake have been exceptionally good, with an average weight between one and one-half pounds. The best killers are March brown, light and dark gnat, the latter being the favorite at Cameron Lake.

Good catches of s.s. trout are reported taken at the mouth of the creek, where plenty of bushy banks and an occasional spring salmon reward trollers on the bay. Brentwood continues to report good catches of salmon in Saanich Arm.

Model Planes Will Compete on Friday For Championships

The Lower Island model airplane championship contests, which had to be postponed on Saturday last because of adverse weather conditions, will now be held at 8:30 o'clock on Friday evening at Lansdowne air port, when it is expected the meet will pass off successfully.

Following the outdoor meet, the indoor model airplane championships will take place in the Horse-shoe Building at the Willows, commencing at 8:30 o'clock, the British Columbia Agricultural Association having granted the necessary permission.

Prominent Surgeon Passes in Seattle

SEATTLE, May 28.—Dr. Bruce Elmore, sixty-four, prominent surgeon of the Pacific Northwest, died today following an illness of more than a month. Dr. Elmore had conducted a clinic in Seattle for several years.

ARTILLERYMEN TO HONOR F. HATCHER

Former Sergeant-Major of 5th B.C. Coast Brigade Will Be Guest of Honor at Smoker

Former Regimental Sergeant-Major Frank Hatcher, 5th B.C. Coast Brigade (C.A.), will be the guest of honor at a smoking concert to be held by the sergeants of the unit at the Armories, Saturday night. The event will be in the form of an official farewell to the congenial sergeant-major, who has retired to civilian life after a period of thirty years' service.

Enlisting in the Royal Marine Artillery in 1886, he was posted to H.M.S. Tamar. On this ship and many others of the Royal Navy, Mr. Hatcher saw service in different parts of the Empire. It was while he was serving on H.M.S. Alexandra that he was a shipmate of King George V, who was then a midshipman.

Taking his discharge in 1899 at Esquimalt, he joined the old 5th Regiment, and this association lasted until he joined the 10th Artillery Brigade of the C.E.F. in 1915. During this service Mr. Hatcher was decorated with the French Medaille Militaire. With the conclusion of world hostilities and the reorganization of the 5th Regiment he rejoined the old unit and was actively associated with it until his retirement to civilian life a few weeks ago.

One of the best-known men in local militia circles, and one who has established an enviable record through his thirty years of service, his retirement will be a source of keen regret to many.

AUSTRALIANS SCORE HEAVILY

Antipodeans Pile Up 406
Runs Against Oxford for
Two Wickets—Pons-
ford, 220, Not Out

FREEMAN BOWLS WELL FOR KENT

LONDON, May 28.—The enormous score of 406 runs for only two wickets was made by the Australians in a cricket match against Oxford University at Oxford today. The chief contributor to the Antipodean total was W. H. Ponsford with 220 not out.

One of the season's best bowling performances so far was A. M. Freeman's nine wickets for 50 runs for Kent against Derbyshire.

First day closing scores in matches were:

Middlesex vs. Hampshire, at Lords: Middlesex, 236 (Hendren, 122); Hampshire, five wickets for 61 runs. Hants, 92 runs for one wicket (Hose, 50 not out). Gloucestershire vs. Surrey, at Kennington Oval: Gloucestershire, 150 (Dipper, 61); Surrey, four wickets for 46 runs. Surrey, 81 for three wickets (Hobbs, 65 not out). Derbyshire vs. Kent, at like-stone: Derby, 136 (Storer, 57); Kent, 107 (Mitchell, four wickets for 42 runs). Nottinghamshire vs. Glamorgan, at Nottingham: Glamorgan, 231 (Hills, 74); Notts, 92 for two wickets (George Gunn, 47 not out). Yorkshire vs. Essex, at Dewsbury: Yorks, 365 for nine wickets (Sturcliffe, 76; Holmes, 63; Leyland, 93; Oldroyd, 63). Lancashire vs. Leicestershire, at Nelson: Lancashire, 206; Leicester, 40 for two wickets. Worcestershire vs. Northamptonshire, at Worcester: Northants, 259 (Rook, four wickets for 63 runs); Worcester, 21 for one wicket. Cambridge vs. Sussex, at Cambridge: Sussex, 256 (Collins, 90; Welch, four wickets for 47 runs); Cambridge, 50 runs for two wickets.

Y.M.C.A. WILL FACE COLWOOD

Westholme Softball Leaders to
Tackle Lumbermen Tonight—
Other Fixtures Scheduled

Y.M.C.A. league-leading aggregation in the Westholme Softball League, have a chance to strengthen their position at the top of the league when they clash with Colwood Wood Company, fifth place occupants, tonight at the Oak Bay Park. To date the "Y" lads have tasted one setback and are strong contenders for the first half championship. Shouldice and Forman will umpire.

Moore & Whitting and the Times will meet in another fixture, which should prove interesting from the first inning until the last. This

game will be staged at the Willows Park with Wooster and Larson in charge.

Jokers, last year's champions, and the Colonist will face each other at the Victoria West Park, with Pascoe and Brown officiating.

The protested game between the Times and Moore & Whitting will be played tomorrow evening at the Victoria West Park. A large crowd of Westholme players and spectators is expected to be present, as much depends upon this fixture.

VARSITY GIRLS WANT \$10,000

U.B.C. Basketball Team Starts
Campaign to Raise Big Sum
for European Tour

VANCOUVER, May 28.—Faced with rivalry from Seattle, University of British Columbia girls will open a campaign tomorrow morning to raise \$10,000 to send their basketball team to Europe to compete for the world's title at Prague in September.

Rated as the second best team on the continent by Perry Page, coach of the world-famous Edmonton Grads, the local varsity girls have been given \$1,000 by the students' council to help them make the trip.

Equally determined to make the trip to Prague, it was stated here tonight by a Miss Payne, Rules of the tournament call for one entry from North America. The entry of the Canadian team has already been accepted. It was stated that the Seattle girls cabled Europe over the week-end and asked to be included in the tourney. The application was refused.

Not to be daunted, the Seattle girls immediately wired executive officers of the Women's Amateur Athletic Federation of Canada and the Canadian Basketball Association, explaining that they understood that the British Columbia varsity was having trouble raising the funds to make the trip, and requesting the Canadian authorities to send the Seattle team instead of varsity.

Upon learning of the Seattle team's intentions today, members of the varsity team decided to inaugurate a campaign to raise the necessary funds to send them to Prague.

VON PORAT STOWS
GAGNON AWAY IN
FIFTH SESSION

CHICAGO, May 28.—Otto von Porat knocked out Jack Gagnon in the sixth round of the ten-round fight at the Chicago Stadium tonight after knocking him down five times in previous rounds.

SWIMMING RESULTS

Results of last night's Crystal Garden Swimming Club's events follow:

50 yards handicap (girls)—1, Margaret Plinder; 2, Winnie Pollard; 3, Peggy Pollard.

50 yards handicap (boys)—1, Mill Loughheed; 2, Les Gill; 3, Bill Findlay.

50 yards breast stroke—1, Bill Findlay; 2, Bert Garnot; 3, Peggy Pollard.

ST. AIDAN'S AND C'S VICTORIOUS

Register One-Sided Wins in Wednesday Cricket League Matches

Five C's, last year's champions, and St. Aidan's, scored one-sided victories in yesterday's Wednesday Cricket League fixtures. The C's scored 116 for the loss of one wicket at Work Point Barracks against 103 by the T. and V's, while St. Aidan's defeated the Hudson's May 76 to 68 at Beacon Hill, losing but four wickets. Both matches were played on wet grounds and during a slight rainfall.

F. A. Sparks, who has been hitting the ball high, wide and handsome all season, contributed 50 towards St. Aidan's total, and carried his bat. He gave but one chance, when he had reached 23, but the wet and slippery ball was too much for T. Tyrrell to hold. The bowling of Hardisty, a mere lad, was one of the features of the match. This youthful bowler took three wickets for a lone run in one over. The scores:

Hudson's Bay
F. Tyrrell, b. Wenman 9
H. Tyrrell, b. Sparks 0
Stephens, b. Sparks 0
Oakman, run out 2
Harrison, b. Hardisty 0
Baker, b. Hardisty 3
Small, b. Wenman 3
Shrimpton, b. Sparks 4
Gaunt, c. M. Stuart, b. Sparks 12
Haines, b. Hardisty 12
Williamson, not out 69
Total 116

St. Aidan's
Sparks, not out 50
Hardisty, lbw, b. Baker 6
Wenman, b. Baker 6
G. Wenman, b. F. Tyrrell 1
Holmes, run out 0
Peers, not out 13
Total 78
Graham, R. Graham, A. Stuart, R. Carey and M. Stuart did not bat.

Bowling Analysis
Hudson's Bay: O W R

What is your verdict? said the Clerk of the Court to the foreman of an Irish jury.

"My Lord," was the reply, "we find the man who stole the horse not guilty."

GORDON TROPHY SHOOT CARDED

Garrison, Canadian Scottish and 5th C.G.A. Entered for Annual Competition

Three teams, Garrison, Canadian Scottish and 5th C.G.A., will be sure starters for the Gordon Cup rifle shoot carded at Heals rifle ranges Saturday, commencing at 2 o'clock. Navy marksmen, who competed for the last three seasons, have not entered as yet, but Lieutenant Dave Pyrie, secretary of the Victoria and District Military Rifle Association, stated last night that the sailors may decide to compete again this season.

Garrison, present holders of the coveted trophy and winners for the past three seasons, will trot out a strong team in hopes of retaining the silverware. However, in the Scottish and the 5th C.G.A. they will find plenty of worthy opposition.

The match calls for ten shots at each of the 200, 500 and 600-yard ranges, with the cup going to the squad with the highest aggregate score.

While the Gordon Trophy shoot will occupy a number of targets, special targets will be available for those not taking part in this competition.

The Canadian Scottish team has

been selected as follows: Captain S. Henson, Captain G. C. Holland, Captain W. E. Tapley, Lieutenant D. Pyrie, Lieutenant O. J. Weller, Sergeant A. E. Ashe, Sergeant J. H. Regan, Pte. R. Carey, Reserves, Major P. R. M. Walls and Sergeant C. Coutts.

League Leaders

To Meet Buicks

Garage Baseball League Clubs to Clash at Royal Athletic Park Tonight

Fords, undefeated leaders in the Garage Baseball League, will battle the Buicks tonight at the Royal Athletic Park at 6 o'clock in a regular league fixture. The H. A. Davie representatives in their last start humbled the Beggs, second berth occupants, and are expected to make things interesting for the leaders.

"Doc" Todd, veteran hurler, will go to the hillock for the Fords, while Walter Battison is expected to do the heavy work for the Buicks.

City man's wife: "I see by today's papers I am referred to as 'one of fashion's butterflies'."

City man: "Considering the way you go through clothes I should think 'moths' would apply better."

FIDEL LA BARBA WINS SLOW BOUT

Los Angeles Featherweight Declines Bushy Graham at Madison Square Garden

MADISON SQUARE GARDEN, NEW YORK, May 28.—Fidel La Barba, chunky featherweight from Los Angeles, managed to defeat Bushy Graham, bounding Utica veteran, tonight, in a ten-round battle of former champions that closed the indoor season at the Garden, and added nothing to the prestige of either.

One of the smallest gatherings of the faithful this season, about 5,000, came to root the indoor season into the great outdoors, and stayed under protest to sigh with relief, and to go gently when it was over. The struggle was slow in all but the barest spots.

La Barba, frisky, tanned Los Angeles youngster, who gave up the flyweight championship two years ago to enter Stanford College, was willing to make a fight of it, but Graham, recognized as the bantamweight king in some quarters, would not mix. Bushy bounced all over the ring, rarely coming to grips, and held frequently. The decision was unanimous.

He, on the phone: "Is that you, darling?" She: "Yes. Who is that?"

REP SOCCER TEAM DEFEATS ESQUIMALT 6-0 IN EXHIBITION

Victoria's representative football eleven which will meet the Glasgow Rangers here on June 9 scored a 6-0 victory over Esquimalt last evening at Beacon Hill Park. On Saturday afternoon at 2:30 o'clock, the All-Stars will face a picked team from the senior league.

COLWOOD WILL MEET NANAIMO

Colwood's first string group of golfers will travel to Nanaimo on Sunday to engage in the first half of their annual interclub match with the Nanaimo Golf Club. The second half of the match will be played early in the Fall at the Colwood Golf and Country Club. Poursomes will be played in the morning and singles in the afternoon. Two points will be awarded for the fourball matches and one point for the singles. Colwood's team will be as follows:

H. Lineham, W. Hall, A. W. Miller, P. Edmonds, T. G. Gray, L. Patrick, J. H. Richardson, T. McPherson, W. Cathcart, B. Peden, G. Wilkinson, J. Findlay, G. Simpson, Dr. Graham, B. Cleri, Dr. Haynes, Dr. Bryant, H. E. Brown, B. Schwengers, J. W. Benning, Jr., J. R. MacIntyre and J. H. Lee.

Built on a foundation of Chemistry

CANADIAN INDUSTRIES Limited, since its formation, has been building upon the foundation of chemistry and was one of the pioneers in opening new fields of endeavour for the chemical engineer.

Almost every product of Canadian Industries Limited has its origin in the test tube of the chemists.

The same basic chemicals are employed in the manufacture of such widely different C.I.L. products as Explosives, Ammunition, Pyralin, Fabrikoid, Duco, New Process Paints, Fertilizers, etc.

On all of the products of its nine Divisions, so varied in usefulness, you will find the C.I.L. trademark as a guarantee of excellent quality and fair price.

EMBARRASSING MOMENTS

ELECTION ACT IS FINALLY PASSED

OTTAWA, May 28.—The new Dominion Election Act was finally passed today by the House of Commons after an amendment by Mr. J. S. Woodsworth, Labor, Winnipeg North Centre, had been accepted. The amendment repeals a section prohibiting contributions from companies for campaign purposes. Mr. Woodsworth claimed that this provision worked a hard ship on Labor unions desirous of making contributions, while large corporations had been able to contribute despite the section. The effect of the passing of the amendment is interpreted to mean that contributions to campaign funds from unincorporated companies and organizations will be subject to no restriction.

MARINE and TRANSPORTATION

RUSSIA WILL
BRING ROYAL
VISITOR HERE

Prince Tokugawa, President of House of Peers, to Sail From Yokohama June 12 for Victoria

TO ATTEND ROTARY
CLUB CONVENTION

TOKIO, May 17 (By Mail).—Prince Isato Tokugawa, President of the House of Peers, and father of the Japanese Minister to Canada, will sail from Yokohama on June 12 by the Empress of Russia for Canada and Europe. The prince will be accompanied by a member of the House of Peers, and by his suite. One of the main objects of his trip is to visit in Ottawa his son, Prince Iemasa Tokugawa, in whose diplomatic career the prince is intensely interested.

Retires From
Directorate of
Boeing Aircraft

VANCOUVER, May 28.—Mr. Charles G. Beeching, former president of Hoffman-Beeching Shipyard, Limited, has resigned from the directorate of Boeing Aircraft of Canada, Limited. In making this announcement today, Mr. Beeching said that he has no intention of leaving Vancouver, and will probably enter other fields of business in this city.

Princess Tokugawa will first proceed to Chicago, where he will attend the Rotary Club International Convention on June 26, thence going to Ottawa. According to cables received in Tokyo, the prince will be warmly entertained by His Excellency the Governor-General and Lady Willingdon.

Probably the Empress of Australia will carry Prince Tokugawa and his party across the Atlantic to Europe, where he will attend the conference of the Interparliamentary Union in London in July, and subsequently the international conference in Brussels.

Princess Tokugawa is an internationally known figure, and was ranked Japanese delegate at the Washington Conference. He is the premier noble of Japan, and has presided over the Upper House of the Diet for over a quarter of a century. He is the heir of the last of the Tokugawa Shoguns, who held complete administrative and military power in Japan for three centuries while the emperors reigned in seclusion in Kyoto, until the imperial restoration at the beginning of the modern Meiji era. The prince is universally esteemed in Japan for his large-heartedness and democratic manners, as well as his up-to-date and patriotic services for his country.

C.P.R. Earnings

MONTREAL, Que., May 28.—Net earnings of the Canadian Pacific Railway Company for April, 1930, showed a decrease as compared with April, 1929, of \$1,516,710. The figures for April this year were \$1,873,836, and for the same month last year, \$3,390,546.

For the four months ended April 30, 1930, net profits were \$3,359,704, as compared with \$10,834,146 for the same period last year, a decrease of \$7,474,442.

TUNA FISHING
IS DEVELOPING

Industry, Formerly Overlooked, Is Profitable Off Maritimes and Coast of New England

FISHERMEN'S CATCH
IS 287,000 POUNDS

BOSTON, Mass., May 28.—Tuna fishing, which has been long looked upon hereabouts as nothing more than a sporting proposition for rod and line deep-sea angling enthusiasts, is rapidly taking its place as a commercially important project.

From June until October large schools of this particular kind of fish range from Massachusetts Bay to Nova Scotia, and for no other species of shark it reaches a length of fourteen feet or more and a weight of 1,500 to 1,800 pounds. However, the majority of the catch brought to market run from 400 to 800 pounds.

The giant tuna is the largest fish that swims these waters, with the possible exception of one of two species of shark. It reaches a length of fourteen feet or more and a weight of 1,500 to 1,800 pounds. However, the majority of the catch brought to market run from 400 to 800 pounds.
